Refunds.—The sanctioned estimate for the past year was Rs. 1,50,000 including the additional allotment of Rs. 37,000 granted in G.O., No. 225, Financial, dated 13th February 1899. Of the first mentioned amount, only Rupees 1,25,851 were actually refunded during the year. The decrease is spread over many districts, but is large only in Cuddapah (Rs. 7,800). * The Collector of that district states that the greater portion of the excess collections, which, it was anticipated, would have to be refunded during the past official year, was in fact adjusted towards the dues of the corresponding fasli year. The variations in the remaining districts are not large and are not ascribed to any special causes. The sanctioned estimate for the current year is Rs. 1,13,000, of which Rs. 39,500 have been kept as "reserve" at the Board's disposal, and the balance of Rs. 73,500 has been distributed among the several districts according to their requirements. Against the last-mentioned sum, Collectors now estimate the probable refunds at Rs. 78,700 for the current year and at Rs. 74,970 for 1900-1901. The actuals of the first four months of the current year amounted to only Rs. 22,874 against Rs. 40,459 refunded in the corresponding period of the past year; having regard, however, to the fluctuating character of the item and to the fact that, owing the necessity for making special adjustments now and then, the average of the actuals of the past five years has amounted to Rupees 1,17,839, the sanctioned estimate of Rs. 1,13,000 is left undisturbed and adopted for both the revised and budget estimates for the current and ensuing years respectively.
