GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—the following paper:—

Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture), Mis. No. 4238, dated 29th August 1899.

Read—the following letter from C. BENSON, Esq., M.R.A.C., Deputy Director of Land Records and Agriculture, to the Secretary to the Commissioner of Revenue Settlement, Land Records and Agriculture, dated 27th July 1899, No. 328-A.:—

With reference to B.P., Mis. No. 3319,* dated 6th July 1899, I have the honour to point out that the ruling therein conveyed alters the system which has been in force for twenty years and more, under which all expenses in regard to movements on duty from one part of the Presidency to another have previously been governed by article 1093 of the Civil Service Regulations. In these circumstances, I venture to point out that the permission to carry only two servants on such journeys at Government expense will, in a majority of cases, throw on me the cost of carrying at least one more. In doing this, I beg to draw attention to article 1110, under which I should be allowed free accommodation for three servants, if travelling by sea or river. Three servants may be regarded as a necessary minimum in the case of a lengthened tour, and I request that that number may be allowed in my case.

* Communicating to the Deputy Director Accountant-General's letter No. 2715, dated 14th June 1899, stating that Mr. Benson is entitled under article 1166-A of Civil Service Regulations to recover the whole necessary expenditure on account of conveyance of camp equipment without limit.

Resolution—Mis. No. 4238, dated 29th August 1899.

The Deputy Director's request to be allowed to carry three servants, at Government expense, during lengthened tours, will be submitted for the favourable consideration of Government, through the Accountant-General.

2. Under G.O., No. 958, Financial, dated 27th October 1898, the maximum number of servants, which the Deputy Director is allowed to take with him at the cost of the State, is two. Attention is invited to the scale sanctioned for survey officers in article 1174 (*b*) of the Civil Service Regulations.

Note

The question for consideration is whether the Deputy Director of Land Records and Agriculture, can be permitted to carry three servants at Government expense during lengthened tours. Under G.O. No 958 of 27.10.98 Financial the maximum number of servants which the Deputy Director is allowed to take with him at the cost of the State is two. He however points out that the permission to carry only two servants on such journeys at Govt. expense will in the majority of cases throw on him the cost of carrying at least one more. He states that under article 1110 of the C. S. R. he should be allowed free accommodation for three servants if travelling by sea or river and requests that that number may be allowed in his case during lengthened tours.

In submitting the Dy Director's request for favourable consideration, the Board of Revenue invite attention to the scale sanctioned for survey

Opinion in article 1174(b) of the C.S.R.

The Accountant General considers that there is no account objection to the ~~decision~~ being allowed under Article 1166 A, C.S.R. to carry three ~~forest~~ servants at ~~for~~ expense during lengthened tours.

Enquiries as to whether the number of ~~servants~~ peons permitted by S.O. 958 ~~this~~ dated 29th October 1918 may be ~~adopted~~ adopted to three in the case of the Secretary Land Revenue and Agriculture
