EXPLANATORY REMARKS.

Interest—Land Revenue.—The increase in the actuals of 1898-99, as compared with the sanctioned estimate (Rs. 9,100), was due mainly to the levy of interest on the arrears of land revenue of faslis 1306 and 1307, the collection of which had been suspended owing to adverse season in Ganjam (Rs. 1,630), Cuddapah (Rs. 1,995), Anantapur (Rs. 3,310), Bellary (Rs. 2,429) and Kurnool (Rs. 2,912) and partly to the collection of arrears of interest due from the Zamindar of Chundi (Rs. 933) and on the Uttumalai zamindari (Rs. 923). Collectors estimate the probable receipts of the current year at Rs. 16,425 against the sanctioned estimate of Rs. 10,600. The increase occurs chiefly in Ganjam (Rs. 1,500), Cuddapah (Rs. 2,000), Anantapur (Rs. 600), Kurnool (Rs. 950), North Arcot (Rs. 650); in North Arcot it is attributed to the unpunctual payment of the revenue due from the purchasers of several villages in the Karvetnagar zamindari, while in the remaining districts the estimates have been fixed with reference to the actuals and the arrears of revenue still outstanding. For the whole Presidency the actuals of the first four months of the current year have amounted to Rs. 5,252 against Rs. 7,517, the actuals of the corresponding period of the previous year. The arrears of revenue outstanding on the 1st August 1899 having been about one third less than the arrear on the corresponding date in 1898, the probable collections of the remaining eight months of the current year will be taken at two-thirds of the amount realized in the last eight months of the official year 1898-99, or Rs. 12,225. The revised estimate will accordingly be fixed at Rs. 12,225 plus Rs. 5,252 or Rs. 17,500 in round figures. For 1900-1901, the total of the Collectors' estimates, viz., Rs. 15,300, has been adopted.

Subscription to Gazettes.—The totals of the Collectors' estimates under this head for the current and ensuing years have been adopted in round figures as they correspond with the actuals of the last year and with the average of the actuals of the past three years (viz., Rs. 6,995).

Sale of Acts and Books.—The Board of Revenue has adopted in round figures for the current and ensuing years the totals of the Collectors' estimates which amount to Rs. 3,951 and correspond with the actuals of 1898-99.

Private Work done by Collectorate Presses.—The average of the actuals of the past three years (viz., Rs. 5,880) has been adopted for the revised and budget estimates in round figures.

Advertisements and Miscellaneous.—Collectors estimate the receipts under this item for the current year at Rs. 1,228 against the sanctioned estimate of Rs. 500. As the actuals of the first four months of the current year have already amounted to Rs. 548 owing chiefly to the sale of patta forms to the ryots in the Periyar-affected tracts, the Board of Revenue has adopted the Collectors' figures in round numbers. For 1900-1901, Collectors' estimates amount to Rs. 518.

Chank Fishery Receipts.—The Collector fixes the revised estimate of receipts at Rs. 13,106 against the sanctioned estimate of Rs. 16,000. The decrease is ascribed to unfavourable season. For the budget estimate the Collector adopts Rs. 20,000 assuming a normal season. But having regard to the fact that the average of the actuals of the past three years amounts to only Rs. 15,965, the Board of Revenue considers it unsafe to fix the estimate at a higher figure than Rs. 16,000. To this amount, the Board of Revenue would add Rs. 7,500 (2,50,000 chanks at Rs. 30 per thousand), being the anticipated receipts from the Madura coast, the leasing of which has been sanctioned in G.O., Mis. No. 3035, Revenue, dated 21st August 1899. The aggregate estimate for the next year will thus be Rs. 23,500.

Hire of Vessels, Sale-proceeds of Vessels and Stores.—The Collectors' estimates have been adopted.

Sale of Skins of Wild Animals.—The average of the actuals of the past three years (Rs. 3,062) has been adopted in round figures for both the revised and budget estimates.

Interest—Land Revenue.—The increase in the actuals of 1898-99, as compared with the sanctioned estimate (Rs. 9,100), was due mainly to the levy of interest on the arrears of land revenue of faslis 1306 and 1307, the collection of which had been suspended owing to adverse season in Ganjam (Rs. 1,630), Cuddapah (Rs. 1,995), Anantapur (Rs. 3,310), Bellary (Rs. 2,429) and Kurnool (Rs. 2,912) and partly to the collection of arrears of interest due from the Zamindar of Chundi (Rs. 933) and on the Uttumalai zamindari (Rs. 923). EXPLANATORY REMARKS.

Interest—Land Revenue.—The increase in the actuals of 1898-99, as compared with the sanctioned estimate (Rs. 9,100), was due mainly to the levy of interest on the arrears of land revenue of faslis 1306 and 1307, the collection of which had been suspended owing to adverse season in Ganjam (Rs. 1,630), Cuddapah (Rs. 1,995), Anantapur (Rs. 3,310), Bellary (Rs. 2,429) and Kurnool (Rs. 2,912) and partly to the collection of arrears of interest due from the Zamindar of Chundi (Rs. 933) and on the Uttumalai zamindari (Rs. 923). Collectors estimate the probable receipts of the current year at Rs. 16,425 against the sanctioned estimate of Rs. 10,600. The increase occurs chiefly in Ganjam (Rs. 1,500), Cuddapah (Rs. 2,000), Anantapur (Rs. 600), Kurnool (Rs. 950), North Arcot (Rs. 650); in North Arcot it is attributed to the unpunctual payment of the revenue due from the purchasers of several villages in the Karvetnagar zamindari, while in the remaining districts the estimates have been fixed with reference to the actuals and the arrears of revenue still outstanding. For the whole Presidency the actuals of the first four months of the current year have amounted to Rs. 5,252 against Rs. 7,517, the actuals of the corresponding period of the previous year. The arrears of revenue outstanding on the 1st August 1899 having been about one third less than the arrear on the corresponding date in 1898, the probable collections of the remaining eight months of the current year will be taken at two-thirds of the amount realized in the last eight months of the official year 1898-99, or Rs. 12,225. The revised estimate will accordingly be fixed at Rs. 12,225 plus Rs. 5,252 or Rs. 17,500 in round figures. For 1900-1901, the total of the Collectors' estimates, viz., Rs. 15,300 will be adopted.

Subscription to Gazettes.—The totals of the Collectors' estimates under this head for the current and ensuing years have been adopted in round figures as they correspond with the actuals of the last year and with the average of the actuals of the past three years (viz., Rs. 6,995).

Sale of Acts and Books.—The Board has adopted in round figures for the current and ensuing years the totals of the Collectors' estimates which amount to Rs. 3,951 and correspond with the actuals of 1898-99.

Private Work done by Collectorate Presses.—The average of the actuals of the past three years (viz., Rs. 5,380) has been adopted for the revised and budget estimates in round figures.

Advertisements and Miscellaneous.—Collectors estimate the receipts under this item for the current year at Rs. 1,228 against the sanctioned estimate of Rs. 500. As the actuals of the first four months of the current year have already amounted to Rs. 548 owing chiefly to the sale of patta forms to the ryots in the Periyar-affected tracts, the Board has adopted the Collectors' figures in round numbers. For 1900-1901, Collectors' estimates amount to Rs. 518.

Chank Fishery Receipts.—The Collector fixes the revised estimate of receipts at Rs. 13,106 against the sanctioned estimate of Rs. 16,000. The decrease is ascribed to unfavourable season. For the budget estimate the Collector adopts Rs. 20,000 assuming a normal season. But having regard to the fact that the average of the actuals of the past three years amounts to only Rs. 15,965, the Board considers it unsafe to fix the estimate at a higher figure than Rs. 16,000. To this amount, the Board would add Rs. 7,500 (50,000 chanks at Rs. 30 per thousand), being the anticipated receipts from the Madras const. the leasing of which has been sanctioned in G.O., No. 3035, Revenue, dated 21st August 1899. The aggregate estimate for the next year will thus be Rs. 23,500.

Hire of Vessels, Sale proceeds of Vessels and Stores.—The Collectors' estimates have been adopted.

Sale of Skins of Wild Animals.—The average of the actuals of the past three years (Rs. 3,062) will be adopted in round figures for both the revised and budget estimates.

The Board says that the average for the past three years is Rs. 15965.

The receipts for the following years are:

1898-99 — Rs. 15409 — Reported in G.O. 244 Rev
 21-9-98 B
 1897-98 — Rs. 16475 — " " G.O. 839
 5-10-97
 1896-97 — Rs. 15398 — " " G.O. 623
 16-11-96

The Board has apparently taken Rs. 15,000 given with the Budget Estimates under hand revenue receipts — vide G.O. 1062 of 17-12-97. Actuals for 96-97 are not given in the B.R. under this head.
