The increase in the revised estimate occurs chiefly under "Cost of examining pearl banks" and is partly due to the entertainment for a longer period of the establishment employed for protecting the pearl banks in the current year (*vide* G.O., Mis. No. 1579, Rev., dated 27th April 1899).

*Chank Fisheries.*—The Collector of Tinnevelly expects a successful season during the current and ensuing years and accordingly estimates the charges at Rs. 7,070 and Rs. 7,216, respectively. But considering that the actuals for the past four years have ranged from Rs. 4,133 to Rs. 4,680, the Board thinks it safer to retain the sanctioned estimate (Rs. 6,000) for the revised and budget estimates. To the revised estimate, however, must be added Rs. 5,000, of which Rs. 1,700 is intended for payment of rent to the Zamindar of Ramnad, Rs. 3,000 for wages payable to divers to be engaged for the chank fishery on the Madura coast and Rs. 300 for expenditure in connection with the preliminary examination in February next of the chank beds on the Madura and Tanjore coasts sanctioned in G.O., Mis. No. 3035, Rev., dated 21st August 1899. The budget estimate must similarly be increased by Rs. 2,000 being payments to the divers employed on the Madura chank fishery during the latter part of the season covered by the Zamindar's lease.

Madras.

Sir,

I have the honor to report that agreeably to the Order of Government No. 786 of the 12th July 1899 I have taken Stock of the Stationery &c at the Madras Stationery Office with the result shown in the accompanying detailed Statement.

2. I first, in the presence of the Stationery Storekeeper Mr. K. Singaravelu Mudaliar and with the assistance of two Experts engaged by myself, took independent Stock, which I subsequently compared

(3)

compared with the book Entries of Corresponding dates; the result, in value, being a deficiency of Rupees 215 " 12 " 4, which I am inclined to think is owing to incorrect postings in the Books. Several of which were detected and corrected whilst I was compiling the Statement that accompanies this report.

3. I commenced to take Stock on the 6th September: It took me 7 days of 5 hours to take Stock, 3 days to take out Book balances and 3 to compare results. - II - Sorting days and all - My work was considerably lightened by the ready Assistance I received from all concerned.

I have the honor to be
