Passing orders on the estimates of — for December and succeeding months of the year 1898–99.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—the following paper:—

Proceedings, Board of Revenue (R.S., L.R. and Agri.), No. 461, dated 14th December 1898.

Resolution—No. 461, dated 14th December 1898.

With reference to paragraph 3 of G.O., No. 33, Financial, dated 15th January 1898, and G.O., No. 520, Revenue, dated 12th September 1898, the Board begs to submit statements showing the actual expenditure up to the end of November 1898, as reported by the Accountant-General and the Examiner of Public Works Accounts, and estimates of the expenditure likely to be incurred in the current, the next and the succeeding months of the year.

2. The particulars of charges incurred up to November 1898 under 33-G. have not been furnished by the Accountant-General, nor have the Collectors estimated for any expenditure under this head during the current and the ensuing months of the year.

3. As reported already in B.P., No. 6899, dated 29th November 1898, any attempt to explain the differences between the estimates and the actuals for November can hardly be of much use, as the figures representing actuals are unaudited and are subject to alteration.

4. The provision made for the current and ensuing months of the year is required for the payment of outstanding claims on account of expenditure incurred in previous months.

The provision of Rs. 22 shown against the Vizagapatam district in the estimates passed in G.O., No. 1129, Financial, dated 30th November 1898, under "Relief to people employed otherwise than on relief works" is shown under "Gratuitous relief" in the present estimates and the sum of Rs. 18,969 shown as the total recoveries under "Relief works in charge of Public Works Department" does not correspond with the figure (Rs. 18,583) given in the statement furnished by the Examiner, Public Works Accounts. These discrepancies should be explained.

2. The details of the "recoveries" in the Civil Department should have been so adjusted in the rounding of rupees that the total corresponded with the figure given by the Accountant-General.

Proceedings, No. 461, 14th December 1898.

DECEMBER.

Famine estimates.—Submitting to Government statement showing — for December and succeeding months of the year 1898–99.

PROCEEDINGS OF THE BOARD OF REVENUE

(REVENUE SETTLEMENT, LAND RECORDS AND AGRICULTURE).

RESOLUTION—No. 461, dated 14th December 1898.

With reference to paragraph 3 of G.O., No. 33, Financial, dated 15th January 1898, and G.O., No. 520, Revenue, dated 12th September 1898, the Board begs to submit statements showing the actual expenditure up to the end of November 1898, as reported by the Accountant-General and the Examiner of Public Works Accounts, and estimates of the expenditure likely to be incurred in the current, the next and the succeeding months of the year.

2. The particulars of charges incurred up to November 1898 under 33-G. have not been furnished by the Accountant-General, nor have the Collectors estimated for any expenditure under this head during the current and the ensuing months of the year.

3. As reported already in B.P., No. 6899, dated 29th November 1898, any attempt to explain the differences between the estimates and the actuals for November can hardly be of much use, as the figures representing actuals are unaudited and are subject to alteration.

4. The provision made for the current and ensuing months of the year is required for the payment of outstanding claims on account of expenditure incurred in previous months.

Note (1).—The figures given in this statement for November are only approximate, having been specially obtained for the purpose of this statement.

Note (2).—The figures in *Italic Type* indicate minus entries or refunds.

The provision of Rs 22 shown in the November estimates passed in G.O. No. 1129 Fin., dated 30th October 1898, under "Relief to people employed otherwise than on relief works" against the Vizagapatam District is shown under "Gratuitous relief" in the same District in the present estimates and the sum of Rs 18,969 shown against "Relief works in charge of Public Works Department" as the total recoveries does not correspond with the figure (Rs 18,583) given in the statement furnished by the

Examined Public Works Accounts.
These discrepancies should be explained.

2. The details of the "Recoveries" in the Civil Department should have been so adjusted in the rounding of rupees that the total* arrived at might correspond with the figure given by the Accountant General.

3. The estimates are accepted.

The Board's figure might be an calculation in the Examiner's statement up to 30. November 1898. It is not apparently a rounding of Rs. but of Rs. This was should summarise the figures (Net here or Gross) in detailed form.

C.S.

As regards A the Board appears to have taken a minus entry of 193 shown against Toddapah in the Examiner's statement as a plus entry & added it to the other figures, so that the difference is 386 or twice the former figure.

As to B the difference is only 3 rupees. The 391 figure in the margin of the draft should have been quoted as 375-391.

Financial Draft Order on Rev. Cons. 8700 of 1898.

To the Under Secretary

The discrepancies noticed in the Financial draft order below call for explanation and it is proposed to be obtained from the Board of Rev. The transfer of Rs 22 from 33 C to 33 D is possibly ~~incorporation~~ a mistake. The apparent explanation for the discrepancy in the amounts of total recoveries is that the Board has adopted the actual total of the details, whereas the P. W. Examiner's ~~figure~~ total has been ~~increased~~ modified without corresponding alteration in the details. — vide footnote (3) to the Examiner's Statement.
