Certified that the actuals entered above are those shown in the Departmental accounts. They have been compared with the figures furnished by the Accountant General and found correct.

- (a) Reduced allotment considered adequate.
- (b) Experience has shown the necessity for increased provision.
- (c) The estimates have been carefully prepared and with the small items of which it is composed, it is not possible, with due regard to correctness, to bring the totals to even hundred.

Notē

The remark of the Secretary,
Sanitary Board, against "Tour
Charges" (Rs 80) that experience has
shown

shown. the necessity for increased provision is not understood, saying that the actuals for the past three years were almost tripling. It is submitted that the "Tour Charges" may be reduced to Rs 60 and the allotment for "Office Expenses" to Rs 14. This would place the total allotment for the Sanitary Board at Rs 1400 and would overcome the difficulty experienced by the Secretary, Sanitary Board, in rounding his estimate. Vide remark (C) at top of estimate.

ask him about this.
