To The Honble Mr J Stokes, J.C.S.,
Chief Secretary to Govt.

thru the Special Duty Officer
The Chief Assistant.

Honble Sir,

Humble Sir,

I beg to state that I was ordered from Madras for duty at Ootacamund in the Special Branch vice K. Phaniyappa who was granted a month's privilege leave about the end of July last. I was relieved of the S.B. work on the 4th September and was ordered to remain in the Ooty office till the 25th ~~September~~ ^{October} ~~idem~~ with effect from which date I was appointed as clerk, and directed to work here, under the officer placed on Special duty for compiling the Presidency Administration Report. I was paid hill allowance only up to the date of my taking over charge of the new appointment which is under the rules temporary lasting for 3 months. Under the Hill Allowance Code I cannot draw either any hill allowance ^{for the period} (I have stayed or will have to stay here after the commencement of my special duty or any travelling allowance for the down journey without a special order of Government granting me the concessions.

1905 when Clerk K. Phaniyappa ^{who} was ^{for the season}

or any other
a special order of Government
Concessions.

In 1895 when Clerk K. Phaniyappa Rao was brought up as Head Clerk of the office for the season was detailed for the Administration Report work he was ordered to remain on the Hills till the 1st of October and was granted hill allowance on his special rate of pay - vide G.O. No. 822, Public, dated 30 October 1895: he was also given travelling allowance for the down journey under the Hill Allowance Code. If I had been ordered to go down to Madras after the expiry of the period my acting appointment in the special Branch my present work there I would have drawn my travelling allowance in the usual course and I would not have been put to the necessity of costly living on the Hills. In connection I beg respectfully to point out that

the number of the members of the Hill establishment who would have in the usual course drawn the allowances in question has been reduced by one in consequence of the resignation of Clerk Chakrapani Rao on the 23^d ultimo.

Under these circumstances I beg to request that I may, as a special case, be admitted to the privileges of the Hill Allowance Code in my appointment as clerk under the officer on special duty. For which act of favour I shall ever feel thankful.

I beg to remain,

Honble Sir

your most obedient servant,

Sandhapaiguan

Clerk on special duty

Under the com^d. Report Officer.

Submitted for favorable consideration - It seems fair that, in the circumstances, the Clerk should get the allowances asked for - The case of K. Phaniappayya in 1895 seems fair to form a precedent, and I gather from para. 2 of the Clerk's application that the number of clerks drawing Hill Allowance has been reduced by one since the 23rd ult. by the resignation of Chakrapani Rao. The circumstances are therefore very closely parallel to the case adverted to by the Acct. Genl. in the opening para. of his letter No. 3137 d. 11.11.95.

In the C.S.

Panchapageeran was sworn clearly to understand that he would not draw Hill Allowance after taking up his app'l. on apt duty unless the same was clearly admissible under the rules. The A.G. might be asked (w.o.) if he will admit H. A.

at

after the 26 Sept.

as to T. A. Panchapagesa an
appears to be entitled to the
same. Had he joined Madras
Office instead of being placed on
special duty here he would
have received T. A. under the O.T.
rules. The accident of his remaining
here on special duty should not
deprive him of this ~~privilege~~. It is
sub. that his T. A. may be
disputed and that if the A.C.
considers that it is only ~~right~~
admissible under the Hill
allowance code, it may be
granted under § 298A to
the C.A. Code.
