NOTE FOR THE C.S.

Will you please send me a spare copy of the G.O. sanctioning the connection of Chamarajanagar with Kollegal by a telegraph line. I find the Supdt. of Telegraphs, Madras, includes in his Budget Estimate of rents for "Telegraph Lines", the line referred to but does not quote his authority for it.

India having taken over all the charges in connection with Observatories, it is admitted that the estimates under 26 Scientific & other buildings have to be expunged from the estimate. Such charges will be looked in India's accounts and will no more appear in the Madras accounts. The exhibition of Sanitary Commissioner, Medical & Sanitary Dept, Surgeon General's office under 30. Statimay, would appear to be wrong. They should come under 24. Medical. The charges on account of the Medical & Sanitary Dept should properly be debited to the
