(a) The pay of the Inspector-General has been calculated at Rs. 1,833½, and no Civil Service Annuity deductions have been made as on previous occasions.
(b) Provisionally entered; the Acting Inspector-General draws no exchange compensation allowance.
(c) The smaller amount of the Revised Estimate is due to lesser allowances being drawn by the Acting Inspector-General.

(d) The re-distribution of the salaries of the ten clerks was sanctioned in G.O., R. No. 939, Financial, dated 20th July 1899.

(e) Local allowances for 10 clerks and 3 servants were sanctioned in the above-quoted G.O.

(f) The accounts for 1898-99 show a smaller expenditure owing to less touring having been done during the year.

(t) The variations in the numbers and grades of pay are due to the entertainment of additional warders in lieu of the Police guard at the Koraput Sub-jail sanctioned in G.O., No. 869, Judicial, dated 6th June 1899, and of an additional warder for the Korrakulam Sub-jail sanctioned in G.O., No. 977, Judicial, dated 21st June 1899.

(u) Provision has been made with reference to Rules 259-261 of the Jail Manual. The decrease in Central Jails is due to the figures of the two previous normal years having been adopted.

Rs. 7,919	Rs. 23,112	Rs. 34,027	Rs. 28,922	Rs. 28,687	(p) The cost of rations has been taken at Rs. 28 per head in Presidency and Central Jails, Rs. 27-8-0 in District Jails and Rs. 37 in Sub-jails; while the number of prisoners to be rationed has been fixed on the actual average population of the first six months of the current calendar year. The rates of fixed represent the averages of the actuals of the past four years, two of which were normal and two abnormal years; while it is not probable that prices will have fallen to the normal by next April it is not anticipated that they will approximate to famine rates. Hence the mean of the two limits has been adopted.

7,919	23,112	34,027	28,922	28,687	(v) The cost of rations has been taken at Rs. 28 per head in Presidency and Central Jails, Rs. 27-8-0 in District Jails and Rs. 37 in Sub-jails; while the number of prisoners to be rationed has been fixed on the actual average population of the first six months of the current calendar year. The rates fixed represent the averages of the actuals of the past four years, two of which were normal and two abnormal years; while it is not probable that prices will have fallen to the normal by next April it is not anticipated that they will approximate to famine rates. Hence the mean of the two limits has been adopted.

(r) The Budget Estimate includes provision for one month's pay of the Guntur Medical Establishment payable in April 1900, while the Revised Estimate includes the debit of 12 months' pay of the Medical Establishment for which provision for only one month's pay was made in the Budget for 1899-1900.

(rr) Sanctioned in G.O., No. 734, Judicial, dated 19th May 1898.

(s) The Budget includes provision for one month's pay of the Guntur Warder Establishment payable in April 1900 while the Revised Estimate includes the debit of 12 months' pay for which provision for only one month's pay was made in the Budget for 1899-1900.

(t) The variations in the numbers and grades of pay are due to the entertainment of additional warders in lieu of the Police guard at the Koraput Sub-jail sanctioned in G.O., No. 869, Judicial, dated 6th June 1899, and of an additional warder for the Kokrakulam Sub-jail sanctioned in G.O., No. 977, Judicial, dated 21st June 1899.

(u) Provision has been made with reference to Rules 259-261, Jail Manual. The decrease in Central Jails is due to the figures of the two previous normal years having been adopted.

Rs.	Rs.	Rs.	Rs.	Rs.	
7,919	23,112	34,027	28,922	28,687	(v) The cost of Rations has been taken at Rs. 28 per head in Presidency and Central Jails, Rs. 27-8-0 in District Jails and Rs. 37 in Sub-jails; while the number of prisoners to be rationed has been fixed on the actual average population of the first six months of the current calendar year. The rates fixed represent the averages of the actuals of the past four years, two of which were normal and two abnormal years; while it is not probable that prices will have fallen to the normal by next April, it is not anticipated that they will approximate to famine rates. Hence the mean of the two limits has been adopted.

NOTE FOR THE C.S.

The estimates for 1900-1901 under 19 B JAILS framed by the Inspector-General of Prisons, which exclude the charges for "Police custody", which are controlled by the High Court, compare with the grant for the current year and the actuals for 1898-99 as follows:-

The Ag. Inspector-General does not budget for any exchange compensation allowance for himself, but under Para III (b) of India's General Principles in G.O.No.901 Finl., d/15-8-99 he is *doubtless* entitled to the same. Please see also the case of Col.T.J.H.Wilkins, I.M.S., in G.O.No.1058 d/29-9-99. Submitted that an allotment may be provisionally entered.

The increased provision is consequent on the accrual of increments to the salaries of Superintendents, Jailors &c, attached to Central and District Jails and ^{on} the entertainment _{to} of an extra warder establishment in lieu of the Police guard at the Koraput Subjail.

The fall due to provision made
for a smaller number of prisoners
and to somewhat lower rates adopted
for rations, in the expectation that
prices next year will roughly stand
at the mean between normal and famine
rates

rates. It is to be noted that the estimate for ^{the} current year under Dietary Charges passed by Govt. was 3.13 lakh, but in the C.B.E. it was altered through the budget notes into 3.33 lakhs, the extra .20 lakh having been taken out of the estimate under JAIL MANUFACTURES.

CLOTHING & BEDDING OF PRISONERS.

7. The increase is due to higher rates based on the average of the past three years ~~and the years 1900-1901~~.

8. PETTY CONSTRUCTION & REPAIRS.

With a view to the gradual extension of cellular accommodation in all ~~the~~ kinds of jails, ~~the~~ the provision in the Budget Estimate for ~~the~~ ^{next} current year has been increased by 10 Lakh.

9. JAIL MANUFACTURES.

The budget estimate for 1900-1901 is placed at .04 lakh less than the grant for the current year, and the estimate which has been framed with reference to past actuals would have been still lower, but for the continuance of the three year ~~contract~~ ^{under} taken by the Penitentiary ~~for~~ for the supply of tents to the Ordnance department.

10. The estimates may, it is submitted, be accepted subject to an addition of Rs.1375 for exchange compensation allowance. (para 4 supra)
