(a) Pay of Establishment, Madras (Revised).—Increase due to the following causes:—
 (1) Entertainment of temporary establishment of paid smiths under B.P., No. 20, dated 20th January 1899, for a short period, i.e., till its abolition ordered in G.O., No. 221, dated 30th March 1899.
 (2) Entertainment of an additional tester for two months at the beginning of the year on account of increase of work.

(3) Grant of privilege leave to the head tester.
 (b) Pay of temporary establishment, Madras (Budget) (Rs. 24).—This is due to cause (2) above.
 (c) Petty supplies (Revised).—Increase due to the purchase of implements for the use of the temporary establishment which was afterwards abolished. The implements were sold and sale-proceeds credited to Government.
 (d) Pay of Clerks, Accountants, Smiths.—The increase in the number of hands and in the amount provided on account of mufassil establishments is due to altered scale of establishment reported by the Collector of Cuddapah, and to additional parties proposed to be entertained in Chingleput, South Arcot and Bellary.
 (e) Lump sums provided by the Collectors of Vizagapatam and Salem (Revised and Budget Estimates).—The Collectors of Vizagapatam and Salem provide lump sums of Rs. 450 and Rs. 550, respectively, both in the revised and in the budget estimates and express difficulty in adopting a fixed scale of establishments and only lump sums were provided for their districts in the budgets of previous years. The Board considers that the provision made by these Collectors may be allowed to stand, considering the actuals of past year (648 for Vizagapatam and 492 for Salem). The increase in the net total of the revised and budget estimates (Rs. 16,539 and Rs. 17,280) over the sanctioned grant (Rs. 16,203) is due to payment of arrears of salary during the current year and to additional stamping parties proposed to be entertained in Chingleput, South Arcot and Bellary.
