Sir,

I am directed to request that the sanction of the Govt. of India may be obtained to the exemption of Tahsildars in this Presidency from the operation of Article 155, C.S.R. in order that acting grade promotions (not necessarily involving a transfer to another station) may be made when a temporary leave vacancy occurs in the Tahsildars' grades.

Grades of Taluks	Pay of Tahsildars in charge
First	Rs.250
Second	,, 225
Third	,, 200
Fourth	,, 175
Fifth	,, 150

2. In this Presidency the various taluks of a district are divided into five* grades according to their relative importance. Until recently, the pay of Tahsildars was territorial corresponding to the grades of their respective taluks. Under this system, a Tahsildar acting for another in a taluk of a higher grade was given acting allowances and Article 155 of the C.S.R. was not held to apply.

3. This system however was accompanied by many inconveniences which are set forth in the Proceedings of the Board of Revenue* No.258 of 27th September 1898. Considering these and especially the administrative inconvenience occasioned by the constant transfer of Tahsildars caused by temporary promotion this Govt. in its order No.77, Revenue, of 30th January of this year acceded to the recommendation of the

* Read as No. 2277 Rev. Dy 30/1/99 copy enclosed.

Board to introduce a personal system of grading under which there will be in each district the same number of Tahsildars on the same rates of pay as before while it will be permissible to the Collector to post any particular Tahsildar to any particular taluk without alteration of pay. His Excellency in Council however retained the territorial classification to this extent that the sanction of the Board should be obtained to any proposal to promote a Tahsildar without transferring him "to a taluk of a correspondingly higher grade "in the existing scheme of grading".

4. The Accountant-General having taken an early opportunity to express his view that from the date of this order Article 155 C.S.R. rendered acting promotions among Tahsildars inadmissible was informed by the Board of Revenue that in its opinion the term grade has been used only in the ordinary sense as being synonymous with the "class" and had not been intended to carry the technical meaning assigned to it in the C.S.R. The Board further explained that there had been no intention to alter the existing practice in regard to the grant of acting allowances to Tahsildars of a lower class officiating for Officers of the same rank in a higher class. The Accountant-General has however requested that if Govt. wish that grade promotion should be given to Tahsildars the sanction of the Govt. of India may be obtained.

5. On a reference being made to the Accountant-General that Officer admits that "prior to the introduction of personal "grading Article 155 was inapplicable, no graded list of Tah- "sildars being maintained". I am to point out that the Tahsildars' list is not now entirely graded owing to the limitation quoted above connecting it to the territorial system. However that may be the desire of this Govt. is to obtain the advantages of both the territorial and the personal systems; and I am to state that in the opinion of H.E. in Council it will be

hard if to secure this end the whole class of Tahsildars should be injured by the loss of the long existing privilege of acting promotions accompanied with allowances.

6. I am therefore to request that if the Govt. of India accept the view of the Accountant-General an exception may be made in Article 155 in favour of the Tahsildars of this Presidency and that the Accountant-General may be authourised to give effect to this from the date of the order of this Government introducing the change.

I have the honour to be,

Sir,

Your most obedient servant,
