FORT ST. GEORGE,

C. No. 3651

Note

with reference to G.O. No. 865 Fail dated 1st August 99, the Accountant General submits statement of amended plague charges under Provincial, Local & Municipal for the month of August 99. On pages 5, 6 & 10, the actuals upto 31st August are compared with the latest estimates (G. O. No 906 Fail dated 7. 8. 99). The expenditure is generally covered by the estimates except in the following cases:

Yes sir.

In the case of indirect charges however the differences are small. The necessary provision will have to be made in the Nov^r estimates.

No. We should cover expenditure at once by allotments in round hundreds.
Curl

In Nellore the expenditure under 24 D. Medical Grants for Medical purposes represents the cost of the Railway Inspection station of Gudur - Nellore. This being a Provincial charge, the A.G. has shown the amount under Provincial.

Was there Ry. Inspection Stations retained as such in the Fort St. George Gazette? If not, the state ment in the note is wrong.
Curl

The absence of the provision in the latest estimates appears to be due to the fact that the Establishments at these stations were shown under "Local" & "Municipal" in the Collector's establishment Lists. This has to be provided for. These inspection stations were abolished in July last.

expenditure upto 31st August 99 to be borne by District Bonds has been compiled.

In Anantapur, the expenditure exceeds the latest estimates only slightly, but it is within the budget provision; while in South Canara, the Estimates cover the expenditure.

3. Municipal. The excess expenditure in South Arcot is due to the inclusion in the actuals given by the A.G. of Rs 306 being the charges incurred at the Railway Inspection station of Tiruvannamalai. The Accountant General has already been intimated in G.O no 1020 Fin dt 21.9.99 to transfer the charge to Provincial. The transfer will probably appear in the Sept^r Statement. The necessary provision for Malabar minor Municipalities noticed above will be duly made in the Nov^r estimates.

4. In view of the estimates being framed for each municipality, the A.G. may be requested to furnish in future his books to date for each municipality.

The draft order is submitted below

Note for Chr Ch.

With reference to the queries on the margin of the note below, it is submitted that Nellore & Guddur were not notified railway inspection thereto. The endeavour to verify this fact is regretted. The sum of 387 shown against Nellore under Provincial Direct charges has been ascertained from the A.G.'s office to represent the pay & allowances of the Medical officer on plague duty at Hospt for 14 days in July drawn at Nellore where he was since transferred. It would appear that this is the procedure in the A.G.'s office, namely, to book each expenditure in the Accounts of the D.t in which the payment is made. For orders as to whether a foot note may be added to the statement to say that the amount shown against Nellore represents the pay of the Medical officer on plague duty at Hospt Station ~~for~~ at Nellore.

Viravamanalai was a notified

withheld railway stations, but was abolished.

As regards the grant of lump allotments to cover the expenditure it is submitted that the plague estimate from the D.Y. are due next week as also A.G.'s statement of actuals for Sept.r. The necessary provision if so intended, might be made in these estimates, so that the expenditure for the allotments will be found in one view in the estimates.

Le 23/10/99 All right. Now, work up upon original note & Make it all clear & Correct.

Note for the C.S.

With reference to G.O no 886 Fin.e of 1st August 99, the Accountant General submits statements of combined plague charges under Provincial, Local and Municipal for the month of August 99. On pages 5, 6 & 10, the actuals upto the 31st August 99 are compared with the latest estimates. (G.O no. 906 Fin.e of 17. 8. 99). The expenditure is generally covered by the estimates except in the following cases:—

In the case of indirect charges, however, the differences are small. The necessary provision will be made in the next estimates.

Under 24. D. Grants for Medical purposes The expenditure in Nellore (Rs 387) has been ascertained from the Accountant-General's office that to represent the pay & allowances of the Medical officer for a portion of July, while he was on plague duty at Hospet, drawn at Nellore, where he was since transferred. The procedure in such cases appears to be to book the expenditure

expenditure in the accounts of the District in which payment is made. A foot note may, it is submitted, be added in the statement to say that the amount shown against Nellore represents the pay & allowances of the Medical officer on plague duty at Hospet drawn at Nellore.

2. Local. The amounts shown against Anantapur and South Canara apparently represent the expenditure in the Dt. The usual statement showing the plague expenditure to be borne by each Dt. Board rateably according to its receipts has been worked out. It will be seen the expenditure in Anantapur exceeds the latest allotment only slightly, but is within the budget provision; while in Canara the allotment covers the expenditure.

3. Municipal. The excess expenditure in South Arcot is due to the inclusion in the actuals reported by the A. G. of Rs 506, being the charges incurred at the railway inspection station of Tiruvannamalai. The transfer of this amount to Provincial has already been ordered in G.O no 1020 Fin dy 21.9.99. This will be verified in the
