READ Proceedings of the Madras Government, Revenue Department, No. 3428,Mis. dated 25th. September 1899.

Resolution.

With reference to the G.O. read above, the Board begs to state that when submitting the Budget estimate for 1899-1900 and the revised estimate for 1898-99 - Vide Board's Proceedings No.364 dated 29th. September 1898, it fixed the revised estimate for 1898-99 at Rs.390,000 on the basis of the average annual expenditure for the previous three years and anticipated that a saving of Rs. 35,000 would accrue on the Budget grant (Rs.425,000) for the year. On receipt of G.O. No.939 Financial dated 26th. October 1898, in which the Board's estimates were accepted and the sum of Rs.35,000 referred to above was resumed, the Board did not re-distribute the allotment amongst the several districts with reference to the reduced grant. The actual expenditure viz. 394141 exceeded the altered grant by Rs.4141. The Board much regrets the error and requests that Government will be pleased to sanction the excess expenditure.
