Note by the Examiner, Guaranteed Railway Accounts, Madras, dated 3rd October 1899, on the Capital Six Months estimate of the Mayavaram-Mutupet Railway for 1899-1900.

(1) No modification is suggested in the budget estimate of Rs.22,000, as it is expected that the amount will be fully utilised on the two works for which the provision was made.

(2) The estimate for 1900-1901 provides for the renewal of 12 miles of the line with 1st class rails, the difference between the cost of 1st class rails and the 2nd class rails with which the line was originally laid, being chargeable to Capital.
