City Police Office.

Madras, 27th. October 1899. 18

From

A.P. A G A R E S Q .,
COMMISSIONER OF POLICE,
MADRAS.

To

The Chief Secretary to Government,
Fort St.George,
M a d r a s .

Sir,

With reference to your telephonic message,dated 24th.Instant, I have the honor to state that increased pro-vision was made in the Budget for clothing and uniform under Hackney Carriage Establishment and Marine Police, as Woollen coats which are issued once in 4 years have to be issued next year.

2---- The actuals and averages for the past 3 years in the case of such of the heads under allowances and supplies and services as are not given in the Budget and details for lump provision for Office expenses under head Superintendence are herewith submitted.

3---- The provision of Rs 10/. for Miscellaneous under head Superintendence was made to meet such of the expenses as do not fall within the detailed items given under Con-tingencies . The head Office expenses and Miscellaneous of the Marine Police consists of contingent charges ,such as oil &c.

4---- A separate Budget for subscription to Periodicals and Newspapers under 32.Miscellaneous is herewith sent., As G.O.No.1258,Financial, dated 27th.December 1898, does not appear to have been received in this Office, I request that a copy of the same may be supplied.

I

I have the honour to be,

Sir,

Your most obedient servant,

A.E. Ogilvie

Ag: Commissioner of Police.

Financial Department.

C. Nos. 5547 and 5811.

NOTE.

The Commissioner of Police places the budget estimate of charges under 30 A POLICE-POLITICAL POLICE for 1900-1901 at .06 higher than the grant for the current year. The increase occurs mainly under Superintendence (.01) and Town and Suburban Police (.05).

3. Under Superintendence some of the items under Supplies and Services and Contingencies appear to have been over-estimated. They may, it is submitted, be reduced (as shown in pencil) with reference to past actuals. The total under Superintendence will then stand at Rs. 30,000.

5. Under Town and Suburban Police the increase (.05) is chiefly due to the deduction of a smaller amount on account of "Probable Savings" and to a larger provision for "Clothing and Uniform" as woollen coats are to be issued in the ensuing year. The amount deducted on account of "Probable savings" cannot well be raised (except slightly for rounding) as the actuals under Police Force in 1898-99 came to 1.59 and the revised estimate has been fixed at nearly 1.60 lakh. Taking the savings on the grants for the

the past three years and applying the proportion to the estimate for the ensuing year the probable savings would be still less, viz. Rs.3,841 against Rs. 3,606 entered by the Commissioner.

1.74 per cent of Rs.1,63,306 = Rs. 3,841

The savings should, it is submitted be placed at about Rs 3000. The exact figure being settled when the Grant of the Establishment is received from Bombay.

4. Under Police Force in the same sub-head provision is made for "House-rent Allowance" on account of 15 Inspectors. As the Inspectors of Police, Egmore and Vepery are stated to have free quarters it, is submitted that the estimate should, notwithstanding the explanation given in the telephonic message on page 3 of currents, provide for "House-rent Allowance" for the remaining 13 only.

5. The estimates under Hackney Carriage Establishment and Marine Police are higher by Rs.100 and Rs. 300, respectively. The increases however mainly occur in the allotments made for "Clothing and Uniform" and are explained to be due to the inclusion of provision for the supply of woollen coats. The estimates may be accepted.

6. The estimates under 20 A POLICE-PRESIDENCY POLICE as altered above will stand at 2.87 lakhs against 3.816 the grant for the current year.

7. The estimate under 32 MISCELLANEOUS - SUBSCRIPTIONS TO PERIODICALS amounts to Rs.300 against Rs.320, the grant for the current year. As the estimate is based on the average of the past three years, it is submitted that it may be accepted.
