(*b*) Decrease due to the transfer of the police hospitals at Ramagiri—Udayagiri and Balliguda to the Agency Department—G.Os., Nos. 63 and 274, Financial, dated 10th January and 20th February 1899.

(*c*) Provided by the Surgeon-General with reference to actuals.

(*d*) At Vellore, Negapatam, Srirangam, Trichinopoly and Salem.

(*e*) *Vide* G.O., No. 1092, Financial, dated 25th October 1898, sanctioning an addition of two constables to the Hackney Carriage establishment at Trichinopoly and a local allowance to head constables.

(*f*) Low accounts due to vacancies in Assistant Superintendent's grade.

(*g*) Travelling allowance of Prosecuting Inspectors except for railway journeys was stopped and the weekly inspection of convicts in jails by Division Police discontinued. The grant of mileage to Inspectors was restricted. Hence the decrease.

(*h*) Travelling allowance of Prosecuting Inspectors has now been sanctioned. Hence the estimate has been fixed at a higher figure than the accounts.

(*i*) *Vide* G.Os., No. 424, Judicial, dated 9th March 1899, and R. No. 1170, Financial, dated 10th November 1898, abolishing 15 Inspectors.

(*j*) The supply of cardigan jackets of local manufacture having been approved in G.O., No. 721, Judicial, dated 5th May 1899, blue and brown woollen cloth provided for usually need not be obtained from England in future.

(*k*) Includes cost of cardigan jackets required for issue during 1900-1901.

(*k*[1]) Blue and brown woollen cloth was not purchased from England in 1898-99 as the change referred to in remark (*j*) was under contemplation; hence low accounts.

(*l*) Includes Rs. 3,000 for the purchase of two elephants required in Ganjám and Jeypore districts.

(*m*) The provision has been slightly increased, the demand from Superintendents for constructing buildings urgently required being large.

(*n*) Total of purchase and repair of tents. The accounts for 1898-99 are for repairs only.

(*o*) Total of construction and repairs.

Periodical repairs to Superintendents and Assistant Superintendents' offices and Police Hospitals will in most cases not cost more than Rs. 1,000 on each occasion. (*b*) Decrease due to the transfer of the police hospitals at Ramagiri—Udayagiri and Balliguda to the Agency Department—G.Os., Nos. 63 and 274, Financial, dated 10th January and 20th February 1899.

(*c*) Provided by the Surgeon-General with reference to actuals.

(*d*) At Vellore, Negapatam, Srirangam, Trichinopoly and Salem.

(*e*) *Vide* G.O., No. 1092, Financial, dated 25th October 1898, sanctioning an addition of two constables to the Hackney Carriage establishment at Trichinopoly and a local allowance to head constables.

(*f*) Low accounts due to vacancies in Assistant Superintendent's grade.

(*g*) Travelling allowance of Prosecuting Inspectors except for railway journeys was stopped and the weekly inspection of convicts in jails by Division Police discontinued. The grant of mileage to Inspectors was restricted. Hence the decrease.

(*h*) Travelling allowance of Prosecuting Inspectors has now been sanctioned. Hence the estimate has been fixed at a higher figure than the accounts.

(*i*) *Vide* G.Os., No. 424, Judicial, dated 9th March 1899, and R. No. 1170, Financial, dated 10th November 1898, abolishing 15 Inspectors.

(*j*) The supply of cardigan jackets of local manufacture having been approved in G.O., No. 721, Judicial, dated 5th May 1899, blue and brown woollen cloth provided for usually need not be obtained from England in future.

(*k*) Includes cost of cardigan jackets required for issue during 1900-1901.

(*k*1) Blue and brown woollen cloth was not purchased from England in 1898-99 as the change referred to in remark (*j*) was under contemplation; hence low accounts.

(*l*) Includes Rs. 3,000 for the purchase of two elephants required in Ganjám and Jeypore districts.

(*m*) The provision has been slightly increased, the demand from Superintendents for constructing buildings urgently required being large.

(*n*) Total of purchase and repair of tents. The accounts for 1898-99 are for repairs only.

(*o*) Total of construction and repairs.

71,714	63,941	44,689	1,06,512(*e*)	(*c*) The provision for repairs has been increased— (1) by a sum of Rs. 3,990 as the number of buildings in charge of the department is annually increasing and the increased provision is absolutely necessary, considering the urgent demands of Superintendents, several of which have to be rejected for want of funds; and (2) by a sum of Rs 10,000 for repair of buildings hitherto carried out by the Public Works Department which, in future, have to be done by the Police Department under G.O., No. 2172 W., dated 15th August 1899. Periodical repairs to Superintendents and Assistant Superintendents' offices and Police Hospitals will in most cases not cost more than Rs. 1,000 on each occasion. If all these repairs are carried out departmentally the proposed provision might not be quite sufficient. I have no data at present to base an accurate estimate upon.
1,600	1,877	1,738	1,186	(*d*) Taking the expenditure under 'Petty works of construction,' under 'Supplies and Services' and the expenditure under this head, the decrease on the total is due to some delay in passing estimates which underwent closer scrutiny.

Financial Department.

G. O. No. 3630, 38-26.

N O T E.

The Inspector-General of Police subnits his budget estimate of charges for 1900-1901 under 30 POLICE B to F and includes in an appendix provision for the following items:-

(1) increase to the pay of the Telugu Survey Teacher of the Vellore Training School Rs.90

(2) a clerk and peon for the office of the Special Assistant with Govt. Rs.276

(3) the Govt. share of the increase proposed in the office establishments of the Superintendent and the Asst. Supt. of the Railway Police...Rs 1,963

Items (1) and (3) have since been sanctioned and may now be incorporated in the body of the estimates. Item (2), which involves a trifling sum, may also be included in the estimates pending final orders.

3. Including these items, the estimate of charges under 30 POLICE B to F for the ensuing year amounts to 43.30 against 41.76 and 43.01 the revised and buget estimates for the current year and 40.02 the actuals

for

for 1900-99 compared with the grant for the current year the variations are as follows:-

Superintendence... ...	- .03
District Executive Force	+ .17
Special Police	+ .01
Railway Police	+ .02

3. SUPERINTENDENCE. The decrease under Packing and Carriage of Clothing Arms, Ammunition and Accoutrements and under Travelling Allowance to by Inspectors-General and call for no remarks. The provision under the former may however be raised to Rs. 6,177 and the addition of Rs. 177 for rounding the total under Inspector-General avoided.

4. DISTRICT EXECUTIVE FORCE. The increase of .17 is the result of the variations under the following heads:-

Salaries...	-.10
Police Force	+.37
Hospital Charges. ...	-.04
Allowances.	-.13
Supplies and Services..	-.34
Contingencies	+.16

Salaries. The decrease of .10 is due mainly to smaller provision for exchange compensation allowance and to the deduction of a larger amount for probable savings. Notwithstanding the larger deduction the estimate is still higher than the actuals of 1898-99 and may be accepted. This deduction is however, safe, & might even be increased by 5,000

Police Force.

Inspector-General

First it is to be noted that the total of the B.E. for 1900-1901 includes 4pages 5 & 6 of estimate 1.90 taken for the Tinnevelly punitive Police, the recoveries on account of which will proportionately increase the receipts under XVII Police. The B.E. for 1900-1 may be taken as 48.30 or .70 less than the estimate for the current year.

Enter below the necessary figures

	Actuals	—	B.E.
1896-97	3.29	-	3.96
1897-98	3.35	-	3.76
1898-99	3.22	-	3.66
Total	9.86	-	11.38
Savings	1.52		
Percentage	13.4		

Percentage adopted in B.E. for 1900-1

the savings should amount to Rs 48.37½ against Rs 36,012 entered by the Ins. Genl.

Police Force. The increase of .37 is due mainly to a provision of .90 on account of the Tinnevelly Punitive Police counterbalnaced by savings aggregating .35 under other items due to reductions in the Police Force. The excess on account of the Tinnevelly Police is nominal as the charge as stated above will be recovered from the inhabitants.

Hospital charges, Allowances and Supplies and Services - The decreases under these heads are explained in the body of the estimate and call for no remarks.

Contingencies. The increase of .16 is mainly due to larger provision under "Petty Repairs to Buildings". The necessity for the increase is explained by the Inspector-General and may be allowed to stand.

5. Special Police. The small increase of .01 is due to the transfer of one head constable from "Police Force", enhanced provision for "Hill Journey allowance" on account of an additional hand, and for "Purchase of Furniture" required for a separate room to be provided for the Asst. with Govt. at Fort St. George.

6. Railway Police. The increase of .02 is due to the inclusion of the provision shown by the Inspector-General in the appendix to the estimates and referred to in para. 1 above for the increase sanctioned to the office establishments of the Supt.

and

and Asst. Supts. of the Railway Police.

7. The estimates have ~~been~~ been carefully prepared and except perhaps for an addition of Rs 5,000 under "Probable Savings" under Salonica (p. 3 of volumes) may it is said be accepted.

8. The estimate under 32 Miscellaneous - Subscriptions to Periodicals has since been submitted by the Inspector General who places it at Rs 592 for the ensuing year. It is submitted that the estimate under this head may be accepted in round numbers at Rs 600.
