Submitted that the statement received from the Accountant-General, after it has been printed up and recorded for future information, may be forwarded to the Public Works Department.

2. As regards the enquiry in para 2 of India's letter on which the P.W.D. desires an expression of opinion, reference is requested to G.O.Nos.1227 Judicial, dated 24th July 1896 and No. 276, Revenue, dated 28th April 1897.

These orders lay down the rule that to compensate officers appointed to exceptionally unhealthy or costly localities, local allowances should be granted and not permanent increases to pay. The grant of local allowances to the office establishment of the Inspector-General of Prisons is a recent case to the point. The principle, that local allowances should be granted in such localities as the Nilgiris, has been accepted by this Government and the majority of such establishments are already in receipt of these allowances
