EXPLANATORY REMARKS.

(a) Increase of Rs. 26 in the estimate for 1900-1901 over that for 1899-1900 is due to the annual increment at the rate of Rs. 2 allowed to the sanitary inspector on plague duty for the next year.

(b) Reduction of Rs. 35 in the budget estimate for 1900-1901 is due to the services of one of the ward attendants being dispensed with from October 1899 with reference to G.O., Mis. No. 1437 P., dated 29th September 1899.

(c) Increase of allotment under petty construction and repairs is due to the provision made for possible contingencies on account of north-east monsoon. Rs. 96-15-2 have been spent up to date for the repairs of the plague sheds.

(d) The Chairman, Municipal Council, Vizianagram, states that a house-rent of Rs. 5 per mensem is allowed to the plague hospital assistant from July 1899 and for the next year the charge will be required for 12 months. Hence the increase.

(e) Reduction under this head in the estimate for 1900-1901 is due to the services of two watchers being dispensed with, with reference to G.O., Mis. No. 1437 P., dated 29th September 1899.

(f) Hospital assistant on plague duty having been replaced by the sanitary inspector on the afternoon of the 4th instant, provision has been made for his pay for four days at Rs. 25 per mensem.

(g) Rs. 42-11-0 represents the amount to be transferred from Grant III. Hospital establishment to "plague charges" as the salary of the hospital assistant on plague duty for April and May 1899 was debited to "hospital establishment charges", instead of to plague charges as he happened to be in charge of the local dispensary.

(h) Allowance for the whole year to the sanitary inspector on plague duty at the rate of Rs. 10 per mensem. The question of granting the allowance is pending the decision of the council at its next meeting.

The Chairman, Municipal Council, Anakapalle, provides in his budget estimate for 1900-1901 under ward attendants and servants Rs. 60 on account of the pay of the servant attached to the hospital assistant at Rs. 5 per mensem. But the services of the peon having been dispensed with in G.O., No. 1455 P., dated 13th October 1899, the amount has been omitted.
