| (a)                  | One temporary postman on Rs. 12 to serve the Kakanhalla plague camp.                                                                                                                                                                                                         |  |  |  |  |  |
| (b)                  | It is impossible to say what sums may be required under minor heads. A lump sum of Rs. 200 based on the total expenditure as per revised estimate is therefore provided under Miscellaneous.                                                                                 |  |  |  |  |  |
| (c)                  | Represents the house-rent paid for the hospital assistants' quarters and a building taken for the purposes of the camp (vide Collector's estimate for the last quarter).                                                                                                     |  |  |  |  |  |
| (d)                  | This provides for the total full pay of the servants although some of them are paid only half pay, now, as stated in the remarks column of the establishment list. Hence the difference between this figure and that in the last column of "revised estimate for 1899-1900." |  |  |  |  |  |
| (e)                  | This amount is provided as the buildings in camps were roughly constructed and will require extensive annual repairs.                                                                                                                                                        |  |  |  |  |  |
| (f)                  | This amount is provided to meet the cost of extensive repairs found necessary to the Kakanhalla and Gudalur camps as remarked by the Head Assistant Collector.                                                                                                               |  |  |  |  |  |

## EXPLANATORY REMARKS.

(h) To the hospital assistant.

(i) Rs. 140 for constructing a bath-room at Loch End and on the Downs.  
 (j) " 683 for constructing quarters for hospital assistant.  
 " 26 for unforeseen repairs.

" 709  
 (k) Rents for Plague office at Charing Cross and buildings used for plague purposes on the Downs.

(l) (1) It is not expected that any further expenditure will be incurred in Coonoor for the remainder of this year and no provision has been made therefore.  
 (2) As it is impossible to forecast the detail requirements for 1900-1901 for such a place as Coonoor, Rs. 1,000 has been shown as a lump sum to meet possible expenditure if plague threatens this district in the ensuing year.

(m) For rounding.

(n) One additional clerk on Rs. 45 to the Collector's office.

APPENDIX TO G.O., No. 1253, FINANCIAL, DATED 16TH NOVEMBER 1899. 5

[illegible]

(b) It is impossible to say what sums may be required under minor heads. A lump sum of Rs. 200 based on the total expenditure as per revised estimate is therefore provided under Miscellaneous.

(c) Represents the house-rent paid for the hospital assistants' quarters and a building taken for the purposes of the camp (*vide* Collector's estimate for the last quarter).

(d) This provides for the total full pay of the servants although some of them are paid only half pay, now, as stated in the remarks column of the establishment list. Hence the difference between this figure and that in the last column of "revised estimate for 1899-1900."

(c) This amount is provided as the buildings in camps were roughly constructed and will require extensive annual repairs.

(f) This amount is provided to meet the cost of extensive repairs found necessary to the Kakanhalla and Gudalur camps as remarked by the Head Assistant Collector.

Scale totals checked  
on Box 1. 28.

## EXPLANATORY REMARKS.

(A) To the hospital assistant.

(i) Rs. 140 for constructing a bath-room at Loch End and on the Downs.  
 (j) " 683 for constructing quarters for hospital assistant.  
 " 26 for unforeseen repairs.  
 " 709

(k) Rents for Plague office at Charing Cross and buildings used for plague purposes at the Downs.

(l) (1) It is not expected that any further expenditure will be incurred in Coonor for the remainder of this year and no provision has been made therefore.  
 (2) As it is impossible to forecast the detail requirements for 1900-1901 for such a place as Coonor, Rs. 1,000 has been shown as a lump sum to meet possible expenditure if plague threatens this district in the ensuing year.  
 (m) For rounding.

(n) One additional clerk on Rs. 45 to the Collector's office.
