From H. LUSON, Esq., Deputy Secretary to the Government of India, Home Department, (Medical), to the Chief Secretary to the Government of Madras, dated Simla, 25th October 1899, No. 1776.

I am directed to reply to your letter No. 934, Financial, dated the 12th September 1899, forwarding a petition from Miss Bleaney, one of the lady nurses employed on plague duty in Vellore, in which she appeals against the orders of the Government of Madras refusing to grant her a conveyance allowance for the period during which she was employed in the Vellore town.

2. The Secretary of State has laid stress in his despatch No. 192, dated the 7th September 1899, on the need for

showing consideration towards doctors and nurses sent from England for plague duty in this country. Some liberality should be exercised in the grant of allowances to nurses to defray such expenses as they may be called upon to incur in the discharge of their duties, and they should not be expected to defray the cost of carriage from their salary. In accordance with this proposal the Governor-General in Council is pleased to sanction the grant of a conveyance allowance of Rs. 30 a month to Miss Bleaney for the period during which she was employed on plague duty in the Vellore town.

ORDER—No. 1254, Financial, dated 16th November 1899.

With reference to her petition, dated the 5th August last, the Surgeon-General will inform Miss Bleaney that the Government of India has sanctioned the grant to her of a conveyance allowance of Rs. 30 *per mensem* for the period during which she was employed on plague duty at Vellore.

2. The Accountant-General will be authorized to disburse the allowance, which will be debited to *Provincial*.
