Draft Letter.

To

The Secretary to the Government of India,
Finance and Commerce Department.

Sir,

With reference to Article 1133 (a) of the Civil Service Regulations and item No. 16 in Appendix No. 22 thereto, I am directed to forward for the favourable consideration of the Government of India a copy of the Proceedings of the Board of Revenue, No. 3868 dated 30th August 1899, and of the Accountant General's objection referred to therein. The Board points out that Sub-Inspectors and other subordinates of the Salt, Abkari and Customs Department of this Presidency have in the performance of their duty to use ferries maintained by private individuals, that for a long time they have been allowed to draw from the Government the actual ferry charges incurred by them and that it would be unreasonable to discontinue the practice. The Accountant General states that the Civil Service Regulations contain no provision under which he may admit the expenditure.

2. His Excellency the Governor in Council considers that the Board has made out a case for the payment of ferry charges by the Government in the case of the subordinates referred to. I am accordingly to suggest that with the permission of His Excellency the Governor General in Council the necessary amendment may be ordered to be made in Appendix No. 22 to the Civil Service Regulations.

I have &c.,

Copy of Accountant-General's letter No.T.80 Salt/4394, dated 24th July 1899.

"With reference to Board's reference on G.R.No.6748, dated the 17th July 1899, I have the honour to state that there is no provision in the Civil Service Regulations under which Ferry charges claimed for the Morekolam Circle Establishment for journeys within its jurisdiction may be admitted and that the sanction of the Government of India is necessary to enable me to admit such charges".

GOVERNMENT OF MADRAS · REVENUE DEPARTMENT ·

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of the Board of Rev., Separate Revenue, Mis. No. 3868, dated 30th August 1899:-

Read letter from Bryce Mc. Master Esquire, Acting Deputy Commissioner, Southern Division, No. 2675, dated 25th June 1899, requesting the Board to pass the Ferry charges incurred by the Pamban Range officers for crossing the channel between the mainland and the island of Pamban; and

Board's reference thereon to the Accountant General, Madras, dated 17th July 1899.

Read also letter from T. Hesketh Biggs Esquire, Accountant General, Madras, No. T. 80/ Salt-4394, dated 24th July 1899, replying to the above Board's reference.

Resolution:-.

The Board requests that Government will be pleased to consider whether the Government of India should not be addressed in the matter of allowing Sub-Inspectors and other Subordinate Circle Establishments to draw actual Ferry charges incurred by them when they have to make use of private ferries.

2. A case in point has recently arisen in the Morekolam Circle. The Pamban range of this Circle consists of the island of Pamban and a portion of the mainland separated from it by a deep sea channel used by steamers; and the only means of crossing is by a ferry maintained by a private individual. The Sub-Inspect -or with his three orderlies and the party of one Petty Officer and five peons attached to the range constantly have to use this ferry in the performance of their duty, and, since 1887, have always drawn, on Travelling Allowance bills, the actual charges thus incurred; as also have the orderlies of the T.T. Assistant

Inspector and the Circle Inspector. The Accountant General has disallowed the charge drawn by the Circle establishment from December 1898, on the ground that Sub-Inspectors and other subordinate establishments attached to Circles are not entitled to Travelling Allowance for ordinary journeys (other than journeys by rail or steamer) within their respective jurisdictions, their pay having been fixed so as to compensate them for the cost of such ordinary journeys; Vide Article 1133 (a) of the Civil Service Regulations and item No. 16 in Appendix No. 22 thereto.

3. It was pointed out to the Accountant General that the charge has been allowed for many years and that it was unreasonable to expect the Sub-Inspector and the peons to pay, out of their own pockets, 2 annas every time they had occasion to cross the channel; but that officer states, in the letter read above, that the sanction of the Government of India is necessary to enable him to admit such charges.

Endorsement thereon of the Accountant General, No. T. 104 Salt/ 6209, dated 7th September 1899:-

Forwarded to Government. The case as stated by the Board is correct.

Order thereon, Mis. No. 3860, dated 6th November 1899.

The Government of India will be addressed.
