	1898-99.	1897-98.	1896-97.	
Rs. 44,551	Rs. 35,474	Rs. 49,143	Rs. 49,035	Refunds.—The actuals of the first four months of the current year amount to Rs. 17, against Rs. 11,363 during the corresponding period of the previous year. This increase is due to a large refund of duty that was made in the Godavari District in consequence of the Government of India Notification communicated in G.O., No. 154, Revenue, dated 3rd March 1899 exempting machinery for the distillation of spirits. Refunds of duty are yet to be made on articles imported for the Parakimedi Tramway—vide Government of India Notification G.O., Mis. No. 2631, dated 18th July 1899. The Revised Estimate as framed by Collector amounting to Rs. 60,000 will therefore be retained. The Budget Estimate for the ensuing year will be fixed at Rs. 45,000 which does not differ much from the average of the actuals

50,283	41,702	52,934	56,214	

the last three years.

Drawbacks.—As the Collector of Tanjore states that drawbacks, which were sanctioned last year, but not paid, have to be paid during the current year, the Collectors' Estimates amounting to Rs. 11,000 will be fixed as the Revised Estimate; the Budget Estimate will be taken at Rs. 6,000, with reference to the average of the actuals of the last three years.

(a) The increase in the revised over the sanctioned estimate is due to causes stated in remark (i) against "Rents, Rates and Taxes" under Madras and in remark (p) against "Fees to Clerks for working out of office hours" under Out-Ports.

(a)¹ No provision was made when the estimate was framed as the then permanent incumbent was not entitled to this allowance.
(b) Vide G.O., No. 599, Revenue dated 7th September 1899. Provision is made in the Revised Estimate for nearly seven months, i.e., from 7th August 1899, the date of receipt by the Government of India of the order of the Secretary of State.

EXPLANATORY REMARKS.

(g) For particulars—vide Statement B.
 (g¹) This includes Rs. 200 for repairing and repainting rattan-blinds.
 (h) This includes supply of uniforms to 7 officers, 32 tidewaiters, 12 peons and 4 boatmen—vide G.O., No. 411, Revenue, dated 1st July 1895, Mis. No. 3840, Revenue, dated 24th July 1897, and Mis. No. 2084, Revenue, dated 9th May 1899. The charge for uniform for the 4 boatmen was included in the proposals for their entertainment submitted to Government by the Board of Revenue in connection with the levy of a transhipment fee.
 (i) The increase in the Revised and the Budget Estimates is stated by the Collector to be due to the inclusion of the amount of ground-rent levied on iron stored on the iron yard and paid over to the Harbour Trust Board as per G.O., Mis. No. 3227, dated 28th June 1897. His Estimates are retained as he states that there is a probability of collections of ground rent increasing with the improvement of the iron trade.

	1898-99.	1897-98.	1896-97.	
Rs. 44,551	Rs. 35,474	Rs. 49,143	Rs. 49,035	Refunds.—The actuals of the first four months of the current year amount to Rs. 17,539 against Rs. 11,363 during the corresponding period of the previous year. This increase is due to a large refund of duty that was made in the Godavari District in consequence of the Government of India Notification communicated in G.O., No. 154, Revenue, dated 3rd March 1899, exempting machinery for the distillation of spirits. Refunds of duty are yet to be made on articles imported for the Parakimedi Tramway—vide Government of India Notification in G.O., Mis. No. 2631, dated 18th July 1899. The Revised Estimate as framed by Collectors amounting to Rs. 60,000 will therefore be retained. The Budget Estimate for the ensuing year will be fixed at Rs. 45,000 which does not differ much from the average of the actuals of the last three years.
5,732	6,228	3,791	7,179	
50,283	41,702	52,934	56,214	

Drawbacks.—As the Collector of Tanjore states that drawbacks, which were sanctioned last year, but not paid, have to be paid during the current year, the Collectors' Estimates amounting to Rs. 11,000 will be fixed as the Revised Estimate; the Budget Estimate will be taken at Rs. 6,000, with reference to the average of the actuals of the last three years.

(a) The increase in the revised over the sanctioned estimate is due to causes stated in remark (i) against "Rents, Rates and Taxes" under Madras and in remark (p) against "Fees to Clerks for working out of office hours" under Out-Ports.

(a) No provision was made when the estimate was framed as the then permanent incumbent was not entitled to this allowance.
(b) Vide G.O., No. 599, Revenue dated 7th September 1899. Provision is made in the Revised Estimate for nearly seven months, i.e., from 7th August 1899, the date of receipt by the Government of India of the order of the Secretary of State.

EXPLANATORY REMARKS.

(g) For particulars—vide Statement B.

(g¹) This includes Rs. 200 for repairing and repainting rattan-blinds.
(h) This includes supply of uniforms to 7 officers, 32 tidewaiters, 12 peons and 4 boatmen—vide G.O., No. 411, Revenue, dated 1st July 1895, Mis. No. 3840, Revenue, dated 24th July 1897, and Mis. No. 2084, Revenue, dated 9th May 1899. The charge for uniform for the 4 boatmen was included in the proposals for their entertainment submitted to Government by the Board of Revenue in connection with the levy of a transhipment fee.

(i) The increase in the Revised and the Budget Estimates is stated by the Collector to be due to the inclusion of the amount of ground-rent levied on iron stored on the iron yard and paid over to the Harbour Trust Board as per G.O., Mis. No. 3227, dated 28th June 1897. His Estimates are retained as he states that there is a probability of collections of ground rent increasing with the improvement of the iron trade.

(j) This amount is provided for the following items:—

(l) The increase is due to 1 Superintendent on Rs. 30 proposed by the Board of Revenue for the Azhikal port.

(m) The decrease is due to the exclusion of (1) 1 clerk on Rs. 20, and 1 clerk on Rs. 15 of the Coringa port under G.O., No. 509, Revenue, dated 1st August 1899; (2) 2 clerks on Rs. 15 each transferred from Tuticorin Custom-house to Deputy Tahsildar's office under G.O., No. 1256, Revenue, dated 27th March 1899; (3) 1 clerk on Rs. 25 proposed to be transferred to Azhikal port and styled as Superintendent.

Rs. 44,551	Rs. 35,474	Rs. 49,143	Rs. 49,035	Refunds.—The actuals of the first four months of the current year amount to Rs. 17,539 against Rs. 11,363 during the corresponding period of the previous year. This increase is due to a large refund of duty that was made in the Godavari District in consequence of the Government of India Notification communicated in G.O., No. 154, Revenue, dated 3rd March 1899, exempting machinery for the distillation of spirits. Refunds of duty are yet to be made on articles imported for the Parakimedi Tramway—vide Government of India Notification in G.O., Mis. No. 2631, dated 18th July 1899. The Revised Estimate as framed by Collectors amounting to Rs. 60,000 will therefore be retained. The Budget Estimate for the ensuing year will be fixed at Rs. 45,000 which does not differ much from the average of the actuals of the last three years.

the last three years.

Drawbacks.—As the Collector of Tanjore states that drawbacks, which were sanctioned last year, but not paid, have to be paid during the current year, the Collectors' Estimates amounting to Rs. 11,000 will be fixed as the Revised Estimate; the Budget Estimate will be taken at Rs. 6,000, with reference to the average of the actuals of the last three years.

(A) The increase in the revised over the sanctioned estimate is due to causes stated in remark (i) against “Rents, Rates and Taxes” under Madras and in remark (p) against “Fees to Clerks for working out of office hours” under out-ports.

(a) No provision was made when the estimate was framed as the then permanent incumbent was not entitled to this allowance.
(b) Vide G.O., No. 599, Revenue dated 7th September 1899. Provision is made in the Revised Estimate for nearly seven months, i.e., from 7th August 1899, the date of receipt by the Government of India of the order of the Secretary of State.

A fresh proposal was subsequently made in Board's Proceedings, Mis. No. 1489, dated 13th April 1899, for four trained boatmen on Rs. 10 each. The latter proposal was sanctioned in G.O., Mis. No. 2084, dated 9th June 1899. Provision is made in the Revised Estimate for six months as the men were entertained only on the 1st September 1899.

The charge for uniform for the 4 boatmen was included in the proposals for their entertainment submitted to Government by the Board of Revenue in connection with the levy of a transshipment fee in Board's Proceedings, Mis. No. 825, dated 23rd February 1899, and Mis. No. 1489, dated 13th April 1899.

(i) The increase in the Revised and the Budget Estimates is stated by the Collector to be due to the inclusion of the amount of ground-rent levied on iron stored on the iron yard and paid over to the Harbour Trust Board as per G.O., Mis. No. 3227, dated 28th June 1897. His Estimates are retained as he states that there is a probability of collections of ground rent increasing with the improvement of the iron trade.

EXPLANATORY REMARKS.

The form given in Rule 10 of the instructions relating to the preparation of Budget Estimates not being applicable, the following certificate is appended.
The figures of actual charges are furnished to the Board monthly by the Accountant-General and not by Collectors and the audited figures are adopted by the Board.

Refunds.—The actuals of the first four months of the current year amount to Rs. 17,539 against Rs. 11,363 during the corresponding period of the previous year. This increase is due to a large refund of duty that was made in the Godavari District in consequence of the Government of India Notification communicated in G.O., No. 154, Revenue, dated 3rd March 1899, exempting machinery for the distillation of spirits. Refunds of duty are yet to be made on

articles imported for the Parakimedi Tramway—vide Government of India Notification in G.O., No. 2631, dated 18th July 1899. The Revised Estimate as framed by Collectors amounting to Rs. 60,000 will therefore be retained. The Budget Estimate for the ensuing year will be fixed at Rs. 45,000 which does not differ much from the average of the actuals of the last three years.

Drawbacks.—As the Collector of Tanjore states that drawbacks, which were sanctioned last year, but not paid, have to be paid during the current year, the Collectors' Estimates amounting to Rs. 11,000 will be fixed as the Revised Estimate; the Budget Estimate will be taken at Rs. 6,000, with reference to the average of the actuals of the last three years.

The increase in the revised over the sanctioned estimate is due to causes stated in remark (i) against "Rents, Rates and Taxes" under Madras and in remark (p) against "Fees to Clerks for working out of office hours" under out-ports.

(a) No provision was made when the estimate was framed as the then permanent incumbent was not entitled to this allowance.
(b) Vide G.O., No. 599, Revenue dated 7th September 1899. Provision is made in the Revised Estimate for nearly seven months, i.e., from 7th August 1899, the date of receipt by the Government of India of the order of the Secretary of State.

REVENUE DEPARTMENT

C No. 6483

From the Board of Revenue (SR)

No. 254 Dated 2-10-1899

Recd 9-10-99

FOR ORDERS.

The Board's estimates under "9-Customs" and under three minor heads have been examined. The points calling for notice are stated below.

Revised estimate for 1899-1900 under 9A—See customs.

Under this head, the Board provides for an increased expenditure—

(i) of Rs 2,500 under "Rents, Rates and Taxes" at Madras. The Collr. anticipates a larger income as ground rent for the use of the iron yard, and as this has to be paid to the

Page 10 of current and Remarks on page 11 ibid

FOR ORDERS.

Harbour Trust Board, the payments under "Rents, Rates and Taxes" have to be increased in proportion. The provision made by the Board under this head may therefore stand; and

(ii) of Rs 5700 for personal allowances to Sea Customs Supts at out ports in lieu of overtime fees — The proposal that overtime fees should be credited to Govt by the grant of personal allowances has been negatived (vide notes on COS 7428 of 1898 in circulation). The provision may therefore be expunged.

3. Budget estimate 1898-1899at Customs

The Budget estimate exceeds the sanctioned estimate for this year by Rs 10500.

end of para 6 on page 4 of
B.P. No 317 confd 25.10.98.

The increase occurs chiefly under three items.

(i) Madras - Contingencies - "Rents, Rates and Taxes" Rs 3500.

This must be admitted as pointed out above.

(ii) Out ports - establishments - General advance of the Customs Dept Rs 4400.

This is in connection with the amalgamation of the Customs, with the Salt and abkari, establishments. But, as the Financial Dept once objected to the head, "General advance of the Dept" it is submitted that the following particulars may be entered instead "clerks 7(30) 11(20) for 'asst. comrs' and inspectors' offices" Rs 5100.

The difference between this ^{figure} and the Board's provision, Rs 4400, may be deducted as savings.

(iii) Petty construction and

25 4

and Repairs - Rs 1800.

The increase is fully explained and may

the before standard. The following minor points will be noticed in the order:-

(i) The amounts to be transferred from the salary of the collector of Muzrab to 3-Land Revenue-charges of District Administration should be

Not 9520 and 9517

as shown on page 4 of the current.

(ii) The provision of Rs 240 on page 10 of the current for the payment of personal allowances is unnecessary and will be expunged.

(iii) The actuals of the past three years have not been reported for each 'detailed head' under 'Contingencies' and only totals have been furnished.

Registration of Seaborne trade

Under this head, Rs 7500 ~~are~~ provided for 1900-1901 in excess, being the pay and allowance of the Supdt of Statistics (Rs 7200) and the increased cost of the establishment (about Rs 300). It has been decided that the Supdt need not be paid a higher salary than Rs 250. Rs 4200 may therefore be deducted.

6. May the Financial Dept. ^{be asked} if it accepts the

Board's estimates with these modifications?
