offer no remarks, as the parents

Proceedings of the Board of Revenue

(Separate Revenue).

Dated 25th October 1899.

Mis. No. 4744

The Hon'ble Mr. J. Thomson.

Read the following letter from J.A. Cumming, Esquire,
Acting Collector and Government Agent, Godavari District,

Ref: No. 611/Agency of 1899, dated 19th September 1899:-

"I have the honor to submit, for favourable consideration and submission to Government, the claim of Mr. Woodhouse, Agency Deputy Collector, for the arrears of exchange compensation allowance due to him from 1st April 1897, when the new rules came into force.

2. The arrears of his allowance from 1st July 1894 upto 31st March 1897 were sanctioned in Government Order No. 305, Financial, dated 28th February 1899, communicated with Board's Proceedings No. 58, (Separate Revenue), dated 14th March 1899. While supporting his claim for the compensation allowance, the Board (Separate Revenue) remarked that he might continue to draw the allowance till

10

he should be confirmed as a Deputy Collector, which appointment, under the new rules, disentitles him to draw the allowance, (vide para 7 of the Government of India Resolution No. 4847, Ex., dated 5th November 1898). Mr. Woodhouse advances his claim on the strength of the above remark of the Board, on which Government passed no specific orders. Even according to the new rules published at page 830, Part I, of the Fort Saint George Gazette, dated 6th July 1897, a European/Salt Inspector is entitled to the allowance, being an officer appointed for the purpose of maintaining the proportion of Europeans in that Department. Mr. Woodhouse even now retains his lien on that appointment and belongs substantively to the eligible service. (Vide para 39 of ^{Government of} India Resolution No. 4847 Ex., dated 5th November 1898).

3. I therefore commend his claim for the arrears from 1st April 1897 to 2nd March 1898 and again from 4th October 1898 until he is confirmed as a Deputy Collector. He appears to have drawn the allowance in the interval as 2nd Assistant to the Chief Secretary to Government. His letter R.C.No. 1497/8 of 1899, dated 3rd July 1899, and his answers to the printed questions are enclosed".

Resolution:-

Submitted to Government for orders.

2. Mr. Woodhouse, Agency Deputy Collector, Godavari District, applies for permission to draw exchange compensation allowance from the 1st April 1897 (the date of operation of the new rules) up to date, with the exception of the period 2nd March to 3rd October 1898, for which he has already drawn that allowance while acting as Second Assistant to the Chief Secretary to Government. Under para 39 of the Government of India Resolution No. 4847-Ex., dated 5th November 1898, he certainly appears to be entitled to the allowance until the 19th July 1899, the date of the Government Order, Mis. No. 2660, Revenue, suspending his lien on his permanent appointment of Inspector in the Salt, Abkari and Customs Department. The Board leaves it to Government to decide whether he is entitled to any allowance thereafter.
