G.O., No. 2810 W., dated 23rd October 1899.

Read—the following paper :—

Office-note from the Examiner, Public Works Accounts, Madras, No. 3242 B/B., dated 2nd October 1899.

Herewith a statement in Public Works Department Form No. 128, together with a memorandum furnishing data to be adopted for the figures of the six months' estimate for the current official year. The columns headed "Six months' estimate for 1899-1900" and "Budget estimate, 1900-1901" in the former statement are, as usual, left blank for completion in your office after consideration of the following points.

2. Under REVENUE, no departure is suggested from the budget estimate of 1899-1900 under XXXI. MILITARY WORKS.

3. The result arrived at in column 14 of the statement against XXXII. CIVIL WORKS—*Provincial*, viz., Rs. 2,00,729, seems too high a figure to adopt, as during the past five years the revenue under that head never reached so high a figure. The average for the past five years is just about Rs. 1,70,000 and I would therefore suggest provision of Rs. 1,83,000.

4. Under XXXII. CIVIL WORKS—*Incorporated Local*, the receipts are annually dwindling down as will be seen from the following :—

	RS.
1894-95	10,276
1895-96	8,712
1896-97	7,722
1897-98	6,787
1898-99	6,654

and unless there are good grounds for anticipating the budget figure (Rs. 8,000) being fully realised, I would suggest Rs. 7,000 as nearer the mark.

5. The grants up to date under 44. MILITARY WORKS amount in round figures to Rs. 79,000 and in consideration of the actuals for the past five years, as well as the figure that may for the present be adopted as the six months' estimate.

6. Under 45. CIVIL WORKS—*Imperial*, the existing grant is Rs. 55,507 and unless it is in contemplation to carry out works other than those budgeted for, Rs. 56,000 as in the first five months of the current official year is due to the heavy expenditure on meteorological works at Kodaikānal which are, it is believed, all practically completed by now.

7. The outlay during the first five months in current official year under 45. CIVIL WORKS—*Provincial* is unusually heavy, and it would not be advisable therefore to head is Rs. 24,04,600 and if Rs. 25,00,000 were adopted as the figure for the six months' estimate, it would probably suffice.

8. The state of grant on this date under 45. CIVIL WORKS—*Incorporated Local* is Rs. 32,695 and on the assumption that this grant will be fully worked out, and that no surrenders are probable, I would suggest no departure from the budget grant, viz., Rs. 32,000.

Order—No. 2810 W., dated 23rd October 1899.

Ordered that the six months' estimate of the Public Works Department, General, Buildings and Roads, for the official year 1899-1900, be forwarded to the Government of India.

NOTE FOR THE CHIEF SECRETARY.

In the statement below the budget estimate (1899-1900) under 45-CIVIL WORKS - PROVINCIAL is entered as 30.89 lakhs. This amount is made up of

Shown in the C.B.E. also at 30.89 lakhs.

Unallotted Grant.....	8.73

In distributing the unallotted grant of 8.73 lakhs the P.W.D. grant was increased by 2 lakhs, of which 1 lakh was specially allotted for the construction of Light houses and .50 lakh for the Cocum Improvement Scheme. The total P.W.grant under 45 CIVIL WORKS made at the beginning of the year was thus 24.16. Subsequently Rs.4,555 and Rs.6,845 were transferred to the L. & M. and Jail Depts. for the construction of a bridge across the Pandi river, Ouchtorlony Valley, Nilgiris, and for repairs to the buildings in the Central Jail, Vellore ^{respectively}. This has reduced the grant which now stands at 24.046 lakhs:

2. The six months' estimate for 1899-1900 is placed at 24.11 lakhs or .06 lakh above the existing grant. It is submitted that the P.W.Dept. should keep within its grant.

3. Of the one lakh and fifty thousand referred to in para.1 it was decided that .40 should be allotted to the P.W.D., but that the Coom allotment and the .60 remaining of the Light house one lakh should be held in hand. It is presumed that the six months' estimate includes the special allotments for the Coom Improvement and the Light house schemes; but it is submitted that this may be ascertained u.o. from the P.W.D. and that that Dept may be asked for further information

Note in the P. W. Deptt.

The unofficial Note in the Financial Department, No. 2916 dated 10 November 1899 is returned to that Department with the following remarks:—

(1) With reference to para 2 of the Note, it is observed that the Accountant General has taken objection to the transfer of Rs 6845 to the Judicial Department for repairs to the Central Jail at Vellore, and suggested that the outlay should be debited to the Public Works Accounts, the Jail authorities being treated as Public Works Disbursers. This suggestion has been referred to the Judicial Department for opinion, and pending receipt of reply

reply from that Department, the amount has been included in the Public Works estimate, which has accordingly been fixed at 24.11.

2. The presumption in para 3 of the Note is correct.
