READ—the following papers :—

From the Commissioner of Police, Madras, dated 30th October 1899.

ABSTRACT.—Forwarding the revised estimate for 1899–1900 and budget estimate for 1900–1901 of plague expenditure under 20A. POLICE—PRESIDENCY POLICE in the City of Madras.

From the Inspector-General of Police, dated 4th November 1899, No. 4574.

ABSTRACT.—Submitting revised estimate for 1899–1900 and budget estimate for 1900–1901 for the temporary force specially sanctioned for plague duty.

Telephonic message from the Chief Secretary, to the Accountant-General, dated 11th November 1899.

The actual plague charges in the districts of Anantapur, Bellary, Cuddapah, North Arcot, South Arcot and Vizagapatam, up to the 31st August 1899, under 20C. POLICE—DISTRICT EXECUTIVE FORCE, as furnished by your office, are in excess of those now reported by the Inspector-General of Police in his plague estimates, as being the total charges up to the 31st October 1899. The Inspector-General states that his actuals *exclude* the cost of men spared from the district strength, which is neither a *direct* nor an *indirect* charge. Please let me know whether your figures *include* such charges.

From T. HESKETH BIGGS, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 18th November 1899, No. T. Genl. 436—9052.

With reference to your telephonic message, dated the 11th of November 1899, I have the honour to state that the figures furnished by this office under 20C. POLICE—DISTRICT EXECUTIVE FORCE—*Indirect Plague Charges* do not include the cost of men spared from the district strength, except in the case of South Arcot.

The pay of the police employed on plague duty in South Arcot was erroneously treated by this office as an "indirect" plague charge. From the statement submitted by the Inspector-General of Police showing the police employed on plague duty it is apparent that the force was spared from the district strength. The charges will therefore be removed from future statements.

In all other cases they represent only charges on account of special temporary establishments and extra allowances drawn in consequence of their deputation by men of the district staff detailed for plague duty.

Telephonic message from the Accountant-General, dated 23rd November 1899, reporting total expenditure up to 31st October 1899 in the several districts under 20C. POLICE—DISTRICT EXECUTIVE FORCE.

ORDER—No. 1284, Financial, dated 22nd November 1899.

20A. POLICE—PRESIDENCY POLICE—The estimates accepted in G.O., No. 1208, Financial, dated 4th November 1899, will be adopted.

2. 20C. POLICE—DISTRICT EXECUTIVE FORCE—(*a*) *Revised Estimate.*—The actual expenditure up to the 31st October 1899, as reported by the Accountant-General, will be adopted.

(*b*) *Budget Estimate.*—The aggregate charge on account of constables calculated according to the establishment list submitted by the Inspector-General amounts to Rs. 10,772, and not to Rs. 11,220 as entered in the estimate. The former figure will be adopted, the difference being entered under "Miscellaneous."

3. The estimates under 20C. POLICE—DISTRICT EXECUTIVE FORCE, as appended to these proceedings, are accepted in supersession of those passed in G.O., No. 1211, Financial, dated 4th November 1899.

From

T. HESKETH BIGGS ESQ.,
ACCOUNTANT-GENERAL TO THE
GOVERNMENT OF MADRAS,

To

The Chief Secretary to Government,
Financial Department.

SIR,

With reference to your Telephonic Messages No. C.3898 dated the 11th of November 1899, I have the honour to state that the figures furnished by this Office under 20 C. Police. District Executive Force indirect plague charges, do not include the cost of men spared from the District Strength, except in the case of South Arcot.

The pay of the Police employed on plague duty in South Arcot was erroneously treated by this Office as an 'indirect' plague charge. From the statement submitted by the Inspector General of Police showing the Police employed on plague duty it is apparent that the force was spared from the District Strength. The charges will therefore be removed from future statements.

In all other cases they represent only charges on account of special Temporary establishments and extra allowances drawn in consequence of their deputation by men of the District Staff detailed for plague duty.

I have the honour to be,
Sir,
Your most obedient servant,
