Budget Estimates.

Reviewing the — for 1900–1901 of the Medical Department submitted by the Surgeon-General.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—the following papers :—

From the Surgn.-Genl. with the Govt. of Madras, dated 13th Oct. 1899, No. 283.
" " " " 7th Nov. " " ——.
" " " " 20th " " " 370.

Order—No. 1293, Financial, dated 24th November 1899.

Eliminating from the budget estimate for the current year the grant (·43 lakh) for Plague under 24-A. Medical Establishments, the estimates for 1900–1901 submitted by the Surgeon-General are ·40 lakh higher than those for 1899–1900. The increase proposed by the Surgeon-General is caused mainly by the promotion of officers ; by allotments for additional establishments in the Government General Hospital, in the Lunatic Asylum, Madras, and in the Government Leper Hospital and for a Lady Assistant Superintendent in the Government Maternity Hospital ; by the contemplated opening of a new dispensary at Addatigala ; by a contribution towards the construction of a new out-patient building for St. Bartholomew's Hospital at Ootacamund ; and by enhanced grants under *Supplies and Services* and *Contingencies*, especially in the item "Diet of patients."

2. The "Probable Savings" shown in lump in the "Summary" under Presidency Hospitals and Dispensaries and under Mufassal Hospitals and Dispensaries will be eliminated.

3. It is observed that the revised estimate for the current year in a large number of cases merely repeats the budget provisions. The Government sees no reason to anticipate that the expenditure under "Diet of patients" will increase as contemplated by the Surgeon-General. For this reason and with reference to past actuals the following reductions will be made under *Supplies and Services* and *Contingencies* :—

4. The promotion of Major W. B. Browning is, according to the note in the estimates, to take effect on the 31st March 1900 only. The increased allotment in the revised estimate under Medical Establishment—District Medical and Sanitary Officers, Presidency Town—*Salaries*—"Presidency District Surgeons" is therefore unnecessary.

5. The grant for the contribution towards the construction of a new out-patient building for St. Bartholomew's Hospital at Ootacamund has been included in the estimates for 1900–1901, as directed in G.O., No. 1031, Public, dated 13th September 1899, and its inclusion in the revised estimate for the current year is incorrect.

6. With reference to paragraph 2 of G.O., No. 1058, Financial, dated 29th September 1899, the provision in the budget for 1900–1901 for exchange compensation allowance under Medical Establishment—District Medical and Sanitary Officers will be raised by a round sum of Rs. 4,000.

7. In view of past actuals, the probable savings under Medical Establishment—District Medical and Sanitary Officers—*Salaries*, in the estimate for 1900–1901 will be raised by Rs. 10,000.

8. The allotments for the revision of the Stewards' department in the Government General Hospital and for the Lady Assistant Superintendent in the Government Maternity Hospital will be admitted pending final orders. Provision will also be made for the re-organization of the nursing staff in the Government General Hospital sanctioned in G.O., No. 1126, Public, dated 4th October 1899. The proposed grant for the additional establishment in the Lunatic Asylum, Madras, will be struck out.

9. The estimates are accepted as shown in the appendix to these proceedings.

10. Separate orders will be passed as regards estimates of plague expenditure under 24-A. and 24-D. Medical.

EXPLANATORY REMARKS.

Military Assistant Surgeon.—The increase budgeted for in the estimate for 1900-1901 and in the revised estimate for 1899-1900 is to provide for a higher rate of pay, as the Assistant Surgeon was promoted to a higher grade from the 20th June 1898.

Civil Apothecaries.—The amount budgeted for is Rs. 6,000 for two apothecaries on Rs. 75 and seven on Rs. 50 each as per proposition statement sanctiond in G.O., No. 1088, Public, of 10th September 1896, whereas those on the establishment of this hospital during 1898-99 were higher paid men on Rs. 100 and Rs. 75; hence the actuals for 1898-99 are more than the budget allotment and therefore the revised estimate for 1899-1900 is raised from Rs. 6,000 to Rs. 7,700.

NOVEMBER.

Budget Estimates.

Passing orders on the — of the Medical Department for 1900-1901.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—the following papers :—

From the Surgn.-Genl. with the Govt. of Madras, dated 13th Oct. 1899, No. 283.
" " " " 7th Nov. " " —.
" " " " 20th " " " 370.

Order—No. 1293, Financial, dated 24th November 1899.

Eliminating from the budget estimate for the current year the grant (·43 lakh) for Plague under 24-A. Medical Establishments, the estimates for 1900–1901 submitted by the Surgeon-General are ·40 lakh higher than those for 1899–1900. The increase proposed by the Surgeon-General is caused mainly by the promotion of officers; by allotments for additional establishments in the Government General Hospital, in the Lunatic Asylum, Madras, and in the Government Leper Hospital and for a Lady Assistant Superintendent in the Government Maternity Hospital; by the contemplated opening of a new dispensary at Addatigala; by a contribution towards the construction of a new out-patient building for St. Bartholomew's Hospital at Ootacamund; and by enhanced grants under *Supplies and Services* and *Contingencies*, especially in the item "Diet of patients."

2. The "probable savings" shown in lump in the "Summary" under *Presidency Hospitals and Dispensaries* and under *Mufassal Hospitals and Dispensaries* will be eliminated.

3. It is observed that the revised estimate for the current year in a large number of cases merely repeats the budget provisions. The Government sees no reason to anticipate that the expenditure under "Diet of patients" will increase as contemplated by the Surgeon-General. For this reason and with reference to past actuals the following reductions will be made in the items under *Supplies and Services* and *Contingencies* :—

4. The promotion of Major W. B. Browning is, according to the note in the estimates, to take effect on the 31st March 1900 only. The increased allotment in the revised estimate under Medical Establishment—*District Medical and Sanitary Officers, Presidency Town—Salaries*—"Presidency District Surgeons" is therefore unnecessary.

5. The grant for the contribution towards the construction of a new out-patient building for St. Bartholomew's Hospital at Ootacamund has been included in the estimates for 1900–1901, as directed in G.O., No. 1031, Public, dated 13th September 1899, and its inclusion in the revised estimate for the current year is incorrect.

6. With reference to paragraph 2 of G.O., No. 1058, Financial, dated 29th September 1899, the provision for exchange compensation allowance under Medical Establishment—*District Medical and Sanitary Officers, Mufassal Districts—Salaries* in the budget for 1900–1901 will be raised by a round sum of Rs. 4,000.

7. In view of past actuals the probable savings under Medical Establishment—*District Medical and Sanitary Officers—Salaries* in the estimate for 1900–1901 will be raised by Rs. 10,000.

8. The provisions for additional establishments in the Government General Hospital, the Government Maternity Hospital and the Madras Lunatic Asylum will be admitted provisionally, pending final orders.

9. The estimates are accepted as shown in the appendix to these proceedings.

10. Separate orders will be passed as regards estimates of plague expenditure under 24-A. and 24-D. Medical.

EXPLANATORY REMARKS.

Military Assistant Surgeon.—The increase budgeted for in the estimate for 1900-1901 and in the revised estimate for 1899-1900 is to provide for a higher rate of pay, as the Assistant Surgeon was promoted to a higher grade from the 20th June 1898.

Civil Apothecaries.—The amount budgeted for is Rs. 6,900 for two apothecaries on Rs. 75 and seven on Rs. 50 each as per proposition statement sanctiond in G.O., No. 1088, Public, of 10th September 1896, whereas those on the establishment of this hospital during 1898-99 were higher paid men on Rs. 100 and Rs. 75; hence the actuals for 1898-99 are more than the budget allotment and therefore the revised estimate for 1899-1900 is raised from Rs. 6,000 to Rs. 7,700.

Rs.	Rs.	Rs.	Rs.	
29,212	30,437	29,117	28,083	*Diet of Patients.*—A sum of Rs. 33,790 has been budgetted for under this head. The usual grant of Rs. 30,000 allotted for this institution for several years will not in all probability be sufficient for 1900-1901 as the actuals under diets exceed this amount.
2,396	1,843	1,757	3,589	
1,606	1,460	1,520	1,837	*Bedding and Clothing.*—Increased provision is made for the possible increase in the number of inmates.

23	101	161	441	
111	90	120	120	*Medicines supplied by Military Department and Medicines not procurable at the Medical Store Depot.*—Increased provision is made under these heads as greater expenditure will be incurred during 1900-1901 in consequence of the increased accommodation owing to the new hospital and isolation blocks.

1,654	1,926	2,047	990	*Purchase of furniture.*—*Vide* note under item (4).
254	64	636	61	*Petty repairs to buildings.*—A sum of Rs. 250 only was sanctioned for the current year. This has already been spent and thus there is nothing remaining for the rest of the year. A sum of Rs. 500 is very necessary for the next year as so many small and petty repairs have to be left undone on account of want of funds which in several cases interfere with the comfort and well being of the inmates.
