Note

Under Local-Direct, the Accountant-General reports no expenditure up to the 30<sup>th</sup> Sept 99, while the collector reports Rs 128 as being actual charges up to the 31<sup>st</sup> Oct 99. Submitted that the collector may be requested to report whether the actuals reported by him under Local-Direct relate to 'Indirect charges'. Presumably the plague allowance of Rs 68 shown by the collector is an indirect charge. On receipt of info from the collector, correction may be made in the Consolidated Statement.

To

The Chief Secretary to Government,

charges" should be read as if posted against "24 Medical-  
Hospitals and Dispensaries" under "Local-Indirect charges"  
and the details for the total of Rs. 128 are furnished in  
the accompanying statement as desired.

I have the honour to be,

# NOTE FOR THE Secretary

Under Local, the following figures  
are entered for 1900-1901

Plague allowance — 70

Travelling allowance — 30

Miscellaneous — 100.

Mat 200

This may be omitted as there is no  
Local plague establishment under Local  
is none at present.

To Sir

figures entered by the Local  
Board were £1000.00. It was  
thought to be transferred to indirect  
charges. The provision of Rs 200  
was made by the Local Board for the  
next year. It was thought  
necessary under indirect charges  
it was accordingly omitted. The  
provision was made only for  
Rs 200 corresponding to the  
estimated charges for the  
next year.

and with that, Financial Department  
 of audit report and so on and so forth  
 under Local Direct Charges 3897  
 it is indirect Charges  
Notes of indirect Charges  
 in the note, referring to the remarks  
 of the Local Department, it is sub-  
 mitted that no provision has been  
 made in the estimates under Local  
Direct, as there is no establishment  
 at present. As regards provision  
 under indirect charges, it will be  
 seen from the Collector's letter dated  
 18 Nov 99, no 661 P, that the  
 figures entered <sup>by the C.M.</sup> under Local-  
Direct were erroneous & that they  
 might be transferred to indirect  
 charges. The provision of Rs 2000  
~~was~~ made by the Collector for the  
 next year was thought un-  
 necessary under indirect charges  
 & was accordingly <sup>reduced to</sup> omitted. But  
 provision was made only for  
 Rs 200 corresponding to the figures  
 entered by the Collector in the revised  
 estimate. It will further be  
 observed from the tabular  
 statement appended to the Collector's  
 letter

Referred to above, that there has been an actual expenditure of Rs 42 during the last month under indirect charges. The existing provision for ~~the~~ next year under indirect, is not, it is submitted, inconsistent with the principle that the estimate should be based on the existing conditions. In these circumstances the provision may, it is submitted, be allowed, as should <sup>be</sup> made to this effect has already been made in the estimates. (p. 2)

24/11/06 For the C.S.  
As I have considered the small provision unnecessary, it may be to subd, be omitted.  
The draft order is now made.
