Note

With reference to the Ltn's proposal to disallow the provision of Rs 25 made by the collector of N. Arcot under conveyance allowance in the Wakajah Municipality, it is submitted, that the actual expenditure upto the 31st Oct 99 under that head being Rs 44, the provision of ~~Rs 25~~ for the next year was allowed to stand. It will be seen from the figures noted in the margin, that the collector has himself made considerable reduction in budget estimate as compared with the revised estimate which is based on the actuals of the current year.
