Sir,

With reference to your letter No. 164 dated 11th November 1899, I have the honor to inform you that in the circumstances explained the full quantity of war cloth and steel nibs demanded will be supplied and the 72 quilts pressed on the annual indent disallowed. In regard to your demand for additional blacklead pencils, I have the honor to state that I am not authorized to issue articles in excess of what is sanctioned in the Stationery Rules. I would therefore request you to obtain the sanction of the Local Government for such a scale of supply as you may consider necessary. Please see my letter to the Government Stationers No. 1856 dated 28th March last.

4097 THE OBSERVATORY,
Madras, 27th November 1899.

From

THE DEPUTY DIRECTOR,

MADRAS OBSERVATORY,

To

THE Chief Secretary to Government,
Financial Department,
Madras.

SIR,

I have the honor to forward herewith a copy of letter no. 6083, dated 16th November 1899, from the Acting Superintendent of Stationery, Madras, for your information and to request that you will kindly authorize him to supply pencils to the Assistants of this office at the rate of 4 each per annum.

The nature of the work of this office has always been regarded as being similar to that of accountants in other offices and on that scale the Assistants of this office have hitherto been allowed 4 pencils (middling, best) each for a year. They have much figure work to do almost all in pencil and in spite of the grant of 4 pencils each they have had to buy them for themselves.

Since

Since the amount supplied necessarily falls short of consumption.

I have the honor to be,

Sir,

Your most Obedient Servant

A. L. Jones.
