From the Collector of Coimbatore, dated 4th November 1899, No. 995-P.

ABSTRACT.—Forwarding revised estimate for 1899-1900 and budget estimate for 1900-1901 of plague expenditure in the district of Coimbatore.

From C. H. MOUNSEY, Esq., I.C.S., Collector of Coimbatore, to the Secretary to Government, Local and Municipal Department, dated 20th November 1899, R.O.C. No. 1546-P.

In the plague revised estimate for the current year, submitted from this office on the 4th current, only a sum of Rs. 93 was provided as the probable expenditure under "Contingencies," "Miscellaneous" (Local) during the months of November and December 1899. But on account of the outbreak and prevalence of plague in the villages of Tagarapuram and Alallit Malligalli and Muthumallanhundi, hamlet of Chilkavadi in the Kollegal taluk, numbers of coolies on daily wages have to be entertained for disinfecting purposes; disinfectants have to be purchased locally and petty carriage expenditure has also to be incurred. Up to now the cost, &c., of disinfection has come to Rs. 215, and it is likely to increase should the disease spread to other adjacent villages. I therefore (with reference to G.O., No. 1365 P., dated 14th November 1899) sanctioned the transfer of Rs. 500 from the sum of Rs. 1,000 provided by me on account of "Petty Construction and Repairs" to meet immediate present requirements, and have the honour to request that Government may be pleased to sanction the increase of provision for this item by Rs. 300 and an additional allotment of Rs. 200 for the item "Miscellaneous."

Endt. No. 257-P.

Transferred to the Financial Department.

23rd November 1899.

(Signed) H. TREMENHEERE,
Secretary to Government.

ORDER—No. 1300, Financial, dated 27th November 1899.

The provision under "Municipal" will be reduced to cover existing establishments. The estimates are accepted as annexed to these proceedings.

FROM

COLLECTOR OF THE
Coimbatore

District,

To

THE SECRETARY TO GOVERNMENT,

Local & Municipal DEPARTMENT,

Madras.

SIR,

In the Plague revised estimate for the Current Year submitted from this office on the 4th Current only a sum of Rs. 93 was provided as the probable expenditure under "contingencies" "Miscellaneous" (Local) during the months of November & December 1899. But on account of the outbreak & prevalence of plague in the villages of Tagarapuram & Alalli Malligalli & Muthumallanhundi, hamlet of Chilukavadi in the Kollegal Taluk, numbers of coolies on daily wages have to be entertained for disinfecting purposes; disinfectants have to be purchased locally & petty carriage expenditure have also to be incurred. Up to now the cost etc of disinfection has come to Rs. 215 & it is likely to increase should the disease spread to other adjacent villages. I therefore (with reference to G. O No. 1365-P dated 14-11-99) sanctioned the transfer of Rs. 500 from the sum of Rs. 1000 provided by me on account of "Petty construction & repairs" to meet immediate present requirements & have the honour to request that Government may be pleased to sanction the increase of provision for this item by Rs. 300 & an additional allotment of Rs. 200 for the item "Miscellaneous"

I have the honour to be,

Sir,

Your most obedient servant,

C. H. Mounsey

Acting Collector

NOTE FOR THE *Secy*

To the Estimate ~~under~~ for 1900-1901
under 24 D. Medical - Provincial,
a sum of Rs 500 may be added
on account of the plague shed attached
to the Sodanus Ry Inspection Station.

2. Under Municipal - Coimbatore
Municipality, a sum of Rs 500 has
been entered under Plague allowance
for 1900-1901. This seems unnecessary
as there is no officer drawing plague
allowance.

Note

Para 1 of the note

In the estimates, the Collector has made no provision under "Petty construction & repairs" — for the current & ensuing year on account of the plague pheds attached to the Podanur Railway Inspection station. No expenditure has been incurred during the current year under 'Provincial', on this account. A provision of Rs 500 will be entered under "Petty construction & repairs" for the ensuing year, as suggested by me.

Para 2 of do.

2. From the pencil note at foot of page 3 of the estimates, it will be seen that the estimates were much reduced to cover the existing establishments. But the Collector's provision of Rs 500 under "Plague allowances" for the ensuing year has been retained in consideration of the actual

actual expenditure of Rs 125 under that head during the current year. Although the guiding principle in accepting these estimates is to see that provision is made only for existing establishments, yet it is submitted that the small amount of Rs 50 provided ^{under Plague allowance} by the collector may be retained.

For the C.S.
I can consider the provision under Municipal for Plague Allowance will not be required. It may be omitted & the draft ^{order} issued.

Note for the CA

Re: the draft order below on the Comptroller estimates passed by the Chief Secretary on the 24th inst.

The collector has since reported that owing to the recent outbreak of plague in certain villages of the Kollegal taluk, the actual cost of disinfection is amounted to Rs. 215 & that the expenditure is likely to increase in case the epidemic spreads over the adjacent villages. To meet this unforeseen expenditure the collector has reappropriated a sum of Rs 500 from the provision ^(Rs 1000) already made ⁱⁿ his estimate under 'Petty construction & repairs' ^{Local District} and requests that the provision under 'Petty construction & repairs' may be increased by Rs 300 & that an additional allotment of Rs 200 ^{under 'miscellaneous'} may be sanctioned. These alterations have now been carried out in red ink in the Estimate (vide page 27).
