NOTE FOR THE Secy

The draft may be ^{Considered} ~~included~~
2. In S. Canara estimate, the fee for inspection of vessels seem to be ~~shown~~ included in Contingencies. In this estimate, it is shown under Plague allowance. It will be convenient to have in hand only for this charge.

Note to the Secy

This is submitted that in the estimate of S. Canara (flag B), that charge that was included under "Contingencies" is "Boat hire for inspection of vessels" and not "fee for inspection of vessels", which is an allowance payable to Port Officer. In Gadawari estimate, the fee payable to the Assistant Port Health Officer, Cochinada Port, is shown under "Plague Allowance".

Note to the Secy

If as decided in P.O. No 1040 of 25-9-99, the medical subordinate at Bimlipatnam is

is not eligible for any plague
~~offer~~ allowance for inspecting
 vessels, there seems no reason
 to grant any to officers similarly
 engaged at other ports. Perhaps
 in most cases, they use the
 port boat & incur no expense,
 but where they actually have
 to pay boat hire, they need be
 paid only the actual expenses
 incurred by them. The provision
 under "Plague allowance" on
 account of the Port Health
 Officer, Cocanada & the inspecting
 officers at the ports in S. Canada
 would therefore seem unnecessary.

note.

No allowances or fees ^{to Health Officers} are
 allowed by the rules under the
 Epidemic Diseases Act for the
 inspection of vessels arriving from
 infected ports. At one time it was
 thought that these Health officers
 should get fees for overtime ~~work~~
 inspection work, but on the Govt. of
 India's pointing out that the law
 does not authorise the levy of

G.O. 389 dated 28.4.1897

G.O. 80 dated 25.1.1897

these fees, they were withdrawn.

It will also be seen from
 the last sentence of para 4 of G.O.
 389 dated 28.4.1897 that the
 inspection of vessels has to be
 done by Port Health officers without
 special payment.

The ^{reason for} ~~history of~~ the grant, however,
 of a special fee to the Cocanada
 officer, is that the person receiving
 the fee is not the "Port Health Officer"
 who is the Civil Surgeon ^{or the Asst. Surgeon.} vide
 G.O. 287 dated 16.10.1897.

If the Port Health officer did the
 inspection

inspection himself he would be entitled to no fees. ~~He~~ The Assistant Port Health Officer, who is a Municipal Hospital assistant, and to whom the duty of inspection of vessels does not legitimately fall, was, therefore, on the recommendation of the Collector, granted this special fee of Rs 5 for each visit.

The grant of any fees for Health officers in South Canara is however unauthorised. In G.O. 1006 dated 10th Decr 1897 they were only allowed to draw the overtime fees which, as stated above, have since been withdrawn.

If the Collector of Godavari, who is a Sanitary Authority competent to appoint a Port Health Officer, now appoints the Hospital asst in question as the "Port Health Officer" for Cocanada in place of the Civil Surgeon as at present, the fees now drawn by the Hospital asst will cease.

NOTE FOR THE Secy

There may not be special rules under the E. D. Act granting allowances for inspecting vessels but the Govt of India has by departmental orders sanctioned the grant of certain allowances which seem applicable to all officers on plague duty including medical officers at ports. These allowances are given on page 221 of the Plague Regulations & Rules - vide B. items B & C.

2

The Fin Dept has however ruled that the medical officer at Bimlipatam is not eligible for these allowances, & this ^{applicable} ruling seems to all the officers similarly employed.
