GENERAL OF INDIAN OBSERVATORIES.

Dept. of Rev. & Agri.
Meteorology.

Simla, the 1st September 1899.

SIR,

WITH reference to your letter No. 568-S., dated 1st October 1898, I am directed to convey the sanction of the Government of India to the establishment of an observatory at Vellore and to request that you will supply, free of charge, a complete set of Meteorological instruments required for the Observatory. The cost of erecting the shed for the observatory and any expenditure coming under the category of public works should be met from Provincial revenues, while the allowances of the observer and other recurring annual expenditure as well as the charges on account of the cost of the daily weather telegrams from Vellore to Madras should be met by the Meteorological Department (Imperial revenues).

2. I am to add that the pay of the observer and any other charges which may be incurred during the current official year after the establishment of the observatory should be met by reappropriation from the budget grants of your Department for 1899-1900.

I have the honour to be,

SIR,

Your most obedient servant,

E. MACONOCHE,

Under-Secretary to the Government of India.

Copy forwarded to the Government of Madras for information with reference to their letter No. 529, dated 18th August 1899.
