Resolution:-

It having been found impossible by means of written instructions and reference to obtain satisfactory accounts -- of the irrigation under the Periyar system in Madura with -- reference to G.O. No. 567 I, dated 22nd July 1898 and the preparation of the accounts for Fasli 1308 having been much delayed owing to mistakes and omissions in the village statements, the Board deputed P. Seshachala Mudaliar, an experienced irrigation accountant on Rs.30 from its office to supervise the preparation of accounts in the Madura taluk, in which the greater number of the village affected, by the Periyar system is situated. The Accountant joined the Madura taluk office on the 1st October and worked there continuously till the 29th and returned to Madras on the 30th idem. The Board --- considers that the double third class railway fare and a --- daily allowance of 6 as. per diem for 10 days, which are admissible to him under the Rules, are insufficient to meet his expenses, ^{as} and his prolonged stay was necessary in the interests of Public Service, the Board recommends that he may be allowed

(1030) P.A. ill. of

at 15th Nov 1899
1030 P.A. ill. of

daily allowance for the whole period of his detention at Madura, and accordingly requests that Government will be pleased to accord sanction for the grant of daily allowance for more than 10 days under article 1159 of the Civil Service Regulations.
