Copy of letter from the Inspector-General of
Registration, Madras, No. 7749, dated 7th December 1898:-

I have the honour to state that the Subregistry Office at Peddapuram is now held in two rooms attached to the Taluk Katcheri, one of which was constructed at the cost of this department in 1884-85. The Collector of the District reports that the Taluk Office is put to much inconvenience for want of sufficient accommodation for the records, and recommends the immediate construction of a separate office building for the Subregistrar, and the removal of the Subregistrar's office to a rented building in the meantime, on the ground that this would obviate the necessity for constructing additional rooms to the Taluk Katcheri. The Executive Engineer, Godavari, Eastern Division, approves of the Collector's approval.

2. I have, therefore, the honour to request that Government will be pleased to issue orders for the preparation of plans and estimates for the construction of an office building on the revised design A, approved in G.O. No. 1031, Judicial, dated 9th July 1898, and to sanction the employment of a nightwatchman and sweeper on Rs. 5 per mensem, for guarding the Subregistry office, so long as it is held in a private rented building.

3. The Subdistrict yields a net surplus of over Rs. 1,200 a year.

4. I presume that this department will be credited with the present value of the building (room) which was originally constructed at an outlay of Rs. 1,340 and is now proposed to be handed over to the Revenue Department.
