Order—No. 1322, Financial, dated 1st December 1899.

Under G.O., No. 813, Revenue, dated 28th November 1899, with effect from 1st April 1900, 3. Land Revenue will be charged with the share of the cost of the Special Fund establishments hitherto charged to 20. Police—Cattle Pounds. The provision made in the budget estimate for 1900–1901 under the latter head for (1) "Special Fund clerks in Collectors' offices," (2) "Special Fund clerks in Taluk offices," (3) "Special Fund clerks in Deputy Tahsildars' offices," (4) "Travelling allowances of clerks," and (5) *Contingencies* except "Hospital charges," will therefore be eliminated. That for "Rewards for impounding cattle" under *Supplies and Services*, and for "Hospital charges" under *Contingencies* will, however, be retained, as 20. Police—Cattle Pounds appears to be the appropriate head to which the expenditure should be debited.

The attention of Collectors has already been drawn to the necessity of utilizing the full amount of the sanctioned grants. Of the amount sanctioned under this head for the current year, the Collectors of South Canara, the Nilgiris, Salem and Tinnevelly have surrendered Rs. 1,286 which will be placed at the disposal of the Collector of North Arcot who has applied for an additional allotment of Rs. 1,300, in order to effect emergent repairs to several pounds damaged during the last north-east monsoon. The sanctioned estimate has accordingly been adopted as the revised estimate. The revised estimate under "Feeding Charges" is based on the average of the actuals for the three previous years. Under "Rewards for Impounding Cattle," a sum of Rs. 500 has been entered as the revised estimate; the sanctioned estimate under this head is only Rs. 300, but having regard to the fact that the actuals for 1898-99 amounted to Rs. 469 and that the total of the actuals for the last seven months of that year and the first five months of the current year amounts to Rs. 441, it is considered safer to fix the revised estimate at Rs. 500. The revised estimate under "Refunds" has been calculated with reference to the actuals of 1898-99. For the budget estimate of outlay on the "Construction and repair of pounds" and the "Purchase and repair of pound boards" the amounts applied for by Collectors have been adopted; and for the budget estimates for items 9 and 10, viz., "Feeding Charges" and "Rewards," the revised estimates have been repeated. The budget estimate under "Refunds" is based on the actuals of the three previous years. The outlay on the "Construction and repair of pounds" for the five months ending August 1899 amounts to only Rs. 8,700 or less than a tenth of the sanctioned estimate. The special attention of Collectors has been drawn to the necessity for fully utilizing the sanctioned allotments. |

| | | | | | CHARGES. |
| 35 | 101 | 94 | 107 | .. | *Supplies and Services.*—The actuals of 1898–99 fell short of the revised estimate (Rs. 1,27,750) by Rs. 10,667, chiefly owing to the fact that in several districts the allotment for the construction and repair of pounds was not fully utilized. The attention of Collectors has already been drawn to the necessity of utilizing the full amount of the sanctioned grants. Of the amount sanctioned under this head for the current year, the Collectors of South Canara, the Nilgiris, Salem and Tinnevelly have surrendered Rs. 1,286 which will be placed at the disposal of the Collector of North Arcot who has applied for an additional allotment of Rs. 1,300, in order to effect emergent repairs to several pounds damaged during the last north-east monsoon. The sanctioned estimate has accordingly been adopted as the revised estimate. The revised estimate under "Feeding Charges" is based on the average of the actuals for the three previous years. Under "Rewards for Impounding Cattle," a sum of Rs. 500 has been entered as the revised estimate; the sanctioned estimate under this head is only Rs. 300, but having regard to the fact that the actuals for 1898–99 amounted to Rs. 469 and that the total of the actuals for the last seven months of that year and the first five months of the current year amounts to Rs. 441, the Board considers it safer to fix the revised estimate at Rs. 500. The revised estimate under "Refunds" has been calculated with reference to the actuals of 1898–99. For the budget estimate of outlay on the construction and repair of cattle pounds and the purchase and repair of pound boards the amounts applied for by Collectors have been adopted; and for the budget estimates for items 9 and 10, viz., "Feeding Charges" and "Rewards," the revised estimates have been repeated. The budget estimate under "Refunds" is based on the actuals of the three previous years.<br>The outlay on the construction and repair of pounds for the five months ending August 1899 amounts to only Rs. 8,700 or less than a tenth of the sanctioned estimate. The special attention of Collectors is drawn to the necessity for fully utilizing the sanctioned allotments. |

The actuals of 1898–99 exhibit a decrease of Rs. 5,498 as compared with the revised estimate for the same year (Rs. 1,47,800) owing to a fall in the receipts. The revised estimate for 1899–1900 on account of clerks employed in Collectors' and Taluk offices has been arrived at by distributing the cost of sanctioned establishments among Cattle Pounds, the Village Service Fund and the Irrigation Cess Fund in the ratio of their receipts for 1898–99, the ratio being determined and the distribution made separately for each district. The question of adopting a less cumbrous mode of apportioning these charges is now under the consideration of Government, but pending final orders the Board has adopted the revised estimate as the budget estimate for 1900–1901 also. The revised estimates for 1899–1900 on account of pound-keepers and watchers are based on the average of the actuals of two previous years, viz., 1897–98 and 1898–99, separate details for each of these items not being available for 1896–97. |

For the budget estimate of outlay on the construction and repair of cattle pounds and the purchase and repair of pound boards the amounts applied for by Collectors have been adopted; and for the budget estimates for items 9 and 10, viz., "Feeding Charges" and "Rewards," the revised estimates have been repeated.
