Rubber Stamps:

Sta
common

the cost of — supplied to the District Medical and Sanitary Officers should, in
or contingent charges of those officers, be met from Local Funds.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following papers :—

From H. BRADLEY, Esq., I.C.S., Acting Superintendent of Stationery, to the Chief Secretary to Government, dated Madras, 1st November 1899, Ref. No. 5780.

In June last the District Medical and Sanitary Officer, Chingleput district, forwarded an indent for rubber stamps sanctioned in G.O., No. 418, Financial, dated 3rd May 1898. An order was accordingly sent to the contractors who, after complying with it, forwarded a bill to this office for Rs. 9-4-6. It was sent to the officer for payment, but he returned the bill saying that he had no allotment to meet the charge. He was then requested to submit the bill to the President, District Board, Chingleput, for payment. The latter officer declines to pay the amount on the ground that the District Medical and Sanitary Officer uses the stamps as a Government officer, and not for Local Fund purposes, and he therefore considers that the charge is not a legitimate one on Local Funds.

2. The Surgeon-General with the Government of Madras, to whom the general question was referred prior to the bill being sent to the District Medical Officer for payment, is of opinion that the cost of rubber stamps supplied to District Medical and Sanitary Officers should be recovered in the same way as that of other articles of stationery. The stationery is supplied to these officers by the Local Fund department, and the cost of articles supplied to that department by this is adjusted at the close of the year by the Accountant-General.

3. Under these circumstances I have the honour to solicit the favour of orders of Government as to how this and similar cases should be treated.

Endorsement No. 2876, Financial, dated 7th November 1899.

From T. HESKETH BIGGS, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 25th November 1899, No. L.F.D./1742.

With reference to your endorsement No. 2876, dated the 7th November 1899, on a letter from the Superintendent of Stationery, Madras, I have the honour to state that the cost of rubber stamps for the use of District Medical and Sanitary Officers should, in common with other contingent charges of those officers, be met from Local Funds.

ORDER—No. 1327, Financial, dated 4th December 1899.

The Government concurs in the opinion of the Accountant-General.
