From

Fort St George

Hon'ble SIR,

I have the honor to forward for transmission to the British Museum London, a case containing all the books marked by the Librarian in the Catalogues for the last Quarter of 1897 and the first two quarters of 1898, excepting a Sanscrit work "Adhana Panchakamu Srouta mu", printed at the Collectorate Press, Ellae - A requisition for a copy of this work was made as usual through the District Registrar of Assurances, Godavery, but this officer has just brought to my notice that the Address of the printer (Superintendent of the Press in question) is not known and that all the posted letters have returned as "Unclaimed letters".

2 I have, however, requested the District Registrar again to make further enquiries and to report whether it is practicable to procure a copy of 'Adhana Panchakamu', so that it might be sent on by Book Post when supplied -

3 A List of the contents of the accompanying case is sent along with the books together with the three quarterly Catalogues (received direct from the British Museum) above referred to, and as usual, I submit herewith a separate List for the information of Government.
