Budget Estimates.

Accepting the — of Civil Agency works in the Vizagapatam district for 1900-1901.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—again G.O., No. 1209, Financial, dated 4th November 1899.

Read—also the following papers :—

From W. O. HORNE, Esq., Agent to the Governor, Vizagapatam, to the Chief Secretary to Government, dated 22nd September 1899, Dis. No. 486 Agency.

I have the honour to submit the budget estimate of Agency civil works for 1900–1901.

2. In addition to the usual Provincial grant of Rs. 46,000, the Maharaja of Jeypore and the Zamindar of Kurapam have promised to continue their contributions of Rs. 10,000 and Rs. 250, respectively, for the year. The total amount at my disposal is, therefore, Rs. 56,250 against my budget estimate of Rs. 58,751. In budgeting for this latter figure, I have included the full annual allotments which will be required for the completion within five years of the three sections of the Jeypore-Bastar road as per my letter, R. C. No. 672, dated 18th August 1899, and in order to allow of this while not exceeding my annual allowance by more than absolutely necessary, I have had to refrain from making any provision for any of the other works mentioned in the programme sanctioned in G.O., No. 1720, Judicial, dated 6th December 1897, except the roads to Lakshmipur from Sembliguda and Koraput which are in good progress and which it would be bad economy to stop. This causes my budget to close with a deficit of Rs. 2,501 and in addition to this I shall be in need of another Rs. 1,499 for my reserve to meet unforeseen charges as per experience of past years. This raises the additional amount required to Rs. 4,000, and I have taken it under "Receipts" as a special grant from Government—*vide* G.O., No. 714, dated 3rd May 1898. I trust this small sum may be found, otherwise the completion of the connection with Raipur on which the Central Provinces Government is insisting, must be still further delayed by reducing the allotment for the Jeypore-Bastar section.

3. The sum of Rs. 1,000 promised by the Maharaja of Jeypore and the villagers of Gunupur for the sanitary arrangements at Jeypore and Gunupur has been shown in the budget estimate on both the credit and debit sides. As regards the contribution promised by the heads of the Nowrangapore estate, they will not be able to pay anything until the litigation between themselves and the Maharaja is finally settled. Hence credit is not taken for it in the budget.

Read-again G.o. no. 1209, Jud., of 4 Novbr 99.

Read—the following paper :—

From W. O. HORNE, Esq., Agent to the Governor, Vizagapatam, to the Chief Secretary to Government, dated 22nd September 1899, Dis. No. 486 Agency.

I have the honour to submit the budget estimate of Agency civil works for 1900–1901.

2. In addition to the usual Provincial grant of Rs. 46,000, the Maharaja of Jeypore and the Zamindar of Kurapam have promised to continue their contributions of Rs. 10,000 and Rs. 250, respectively, for the year. The total amount at my disposal is, therefore, Rs. 56,250 against my budget estimate of Rs. 58,751. In budgeting for this latter figure, I have included the full annual allotments which will be required for the completion within five years of the three sections of the Jeypore-Bastar road as per my letter, R. C. No. 672, dated 18th August 1899, and in order to allow of this while not exceeding my annual allowance by more than absolutely necessary, I have had to refrain from making any provision for any of the other works mentioned in the programme sanctioned in G.O., No. 1720, Judicial, dated 6th December 1897, except the roads to Lakshmipur from Sembliguda and Koraput which are in good progress and which it would be bad economy to stop. This causes my budget to close with a deficit of Rs. 2,501 and in addition to this I shall be in need of another Rs. 1,499 for my reserve to meet unforeseen charges as per experience of past years. This raises the additional amount required to Rs. 4,000, and I have taken it under "Receipts" as a special grant from Government—*vide* G.O., No. 714, dated 3rd May 1898. I trust this small sum may be found, otherwise the completion of the connection with Raipur on which the Central Provinces Government is insisting, must be still further delayed by reducing the allotment for the Jeypore-Bastar section.

3. The sum of Rs. 1,000 promised by the Maharaja of Jeypore and the villagers of Gunupur for the sanitary arrangements at Jeypore and Gunupur has been shown in the budget estimate on both the credit and debit sides. As regards the contribution promised by the heads of the Nowrangapore estate, they will not be able to pay anything until the litigation between themselves and the Maharaja is finally settled. Hence credit is not taken for it in the budget.

Enclosure.

GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

Read—the following paper:—

From W. O. HORNE, Esq., Agent to the Governor, Vizagapatam, to the Chief Secretary to Government, dated 22nd September 1899, Dis. No. 486 Agency.

I have the honour to submit the budget estimate of Agency civil works for 1900–1901.

2. In addition to the usual Provincial grant of Rs. 46,000, the Maharaja of Jeypore and the Zamindar of Kurapam have promised to continue their contributions of Rs. 10,000 and Rs. 250, respectively, for the year. The total amount at my disposal is, therefore, Rs. 56,250 against my budget estimate of Rs. 58,751. In budgeting for this latter figure, I have included the full annual allotments which will be required for the completion within five years of the three sections of the Jeypore-Bastar road as per my letter, R. C. No. 672, dated 18th August 1899, and in order to allow of this while not exceeding my annual allowance by more than absolutely necessary, I have had to refrain from making any provision for any of the other works mentioned in the programme sanctioned in G.O., No. 1720, Judicial, dated 6th December 1897, except the roads to Lakshmipur from Sembliguda and Koraput which are in good progress and which it would be bad economy to stop. This causes my budget to close with a deficit of Rs. 2,501 and in addition to this I shall be in need of another Rs. 1,499 for my reserve to meet unforeseen charges as per experience of past years. This raises the additional amount required to Rs. 4,000, and I have taken it under "Receipts" as a special grant from Government—*vide* G.O., No. 714, dated 3rd May 1898. I trust this small sum may be found, otherwise the completion of the connection with Raipur on which the Central Provinces Government is insisting, must be still further delayed by reducing the allotment for the Jeypore-Bastar section.

Jud. Cno 3643

3. The sum of Rs. 1,000 promised by the Maharaja of Jeypore and the villagers of Gunupur for the sanitary arrangements at Jeypore and Gunupur has been shown in the budget estimate on both the credit and debit sides. As regards the contribution promised by the heads of the Nowrangapore estate, they will not be able to pay anything until the litigation between themselves and the Maharaja is finally settled. Hence credit is not taken for it in the budget.

I have the honor to submit the budget estimate of agency civil works for 1900-1901.

2. In addition to the usual Provincial grant of Rs 46000 the Maharajah of Jeypore and the Zamindar of Kurapam have promised to continue their contributions of Rs 10,000 and Rs 250 respectively for the year. The total amount at my disposal is therefore Rs 56,250 against my budget estimate of Rs 58751. In budgetting for this latter figure I have included the full annual allotments which will be required for the completion within 5 years of the three sections

19

No 3/43/99

sections of the Jeypore-Bastar road as per my letter R.C. No. 672 dated 18th August 1899 and in order to allow of this which not exceeding my annual allowance by more than absolutely necessary, I have had to refrain from making any provision for any of the other works mentioned in the programme sanctioned in Government Order No: 1720 Judicial dated 6th December 1897 except the roads to Lakshmipur from Sembliguda and Koraput which are in good progress and which it would be bad economy to stop. This causes my budget to close with a deficit of Rs 2501 and in addition to this I shall be in need of another Rs 1499 for my reserve to meet unforeseen charges as per experience of past years. This raises the additional amount required to Rs 4000 and I have taken it under "Receipts" as a special grant from Government (vide Government order No: 714 dated

original not available

20

dated 3rd May 1898. I trust this small sum may be found, otherwise the completion of the connection with Raipur, on which the Central Provinces Government is insisting, must be still further delayed by reducing the allotment for the Jeypore-Bastar section.

3. The sum of Rs 1000 promised by the Maharajah of Jeypore and the villagers of Gunupur for the sanitary arrangements at Jeypore and Gunupur has been shown in the budget estimate on both the credit and debit sides. As regards the contribution promised by the heads of the Nowrangapur Estate, they will not be able to pay anything until the litigation between themselves and the Maharajah is finally settled. Hence credit is not taken for it in the budget.

SIR,

With reference to Government Order No 1209 Financial Department dated 4th November 1899, I have the honour to submit herewith an estimate of receipts from tolls for the Official year 1900–1901. These I think are well within the mark.

NOTE ~~FOR THE~~ C. S.

The Agent to the Governor, Vizagapatam, submits his budget estimate of Agency Works for 1900-1901 and again reckons on a special grant of Rs 4000 in addition to the usual grant of Rs 46,000. The estimate as framed by the Agent stands as follows:-

Rs 5750 were given last year - Vide G.O. No. 1058 Fin., d 15th Nov/98. E

2. The Agent, however, refers to a letter of his of 18' Aug last, No 672, re the Jeypore - Bastar road which appears to be under disposal in the Judicial Dept, and there is besides another paper also under disposal regarding the levy of tolls the proceeds of which would appear to be available for expenditure on the maintenance of the Agency road. It is submitted that the remarks of the Judicial Dept, on the budget may be invited with reference especially to these papers before any order is drafted.

NOTE FOR THE UNDER SECRETARY.

The agent has provided a sum of Rs 8,000 for expenditure on the Jeypore - Bastar road in 1900-1901, as follows:—

Jeypore - Borigumma Section - Rs 3,000
Borigumma - Kotpad " Rs 3,400
Kotpad - Bastar " - Rs 1,600

In his letter No. 672 d 18-8-99. he explains how, with a similar allotment, he expects to turn this road (wh. is at present only a fair-weather road) into a first-class one in the course of five years. The work is included in the programme sanctioned in G.O no 1720 dated 6-12-97, and its completion is pressed ~~upon~~ for by the ~~[illegible]~~ Govn. of the Central Provinces. The provision may be allowed to stand. B

2. The Agent has not taken into account the receipts from tolls - probably because their levy was sanctioned in G.O. no 1624 d 7-10-99 after his budget was submitted. D With reference to the notes & orders in the G.O, it is submitted that VIII the Agent may be asked to revise his ~~estimates~~ budget by including

in it an estimate of receipts from the tolls the levy of wh. has been sanctioned.

Note for the C.S.

The Agent has already been called upon to submit the estimate of receipts from tolls. Note

The Agent has now submitted the estimate of receipts from "Tolls" which are placed at Rs 12,000. ~~It is submitted that the estimates of receipts and charges as submitted by the Agent may be accepted. A draft order is submitted for approval.~~ Attention is solicited to the Financial Dept note in the original of G.O. no. 1624 Judicial, dy 7 Oct. 99, in which it was suggested that the Agent when submitting his budget should include a provision, not exceeding the amount of these receipts, in addition to the usual grant of Rs 46,000 for Agency works. The Agent has estimated his requirements for next year at Rs 4,000 more than the

the usual grant, & it is submitted that his estimate may be accepted. A draft order is submitted for approval.

Govt. has just decided, in Judicial, to promise to raise the ordinary grant (Rs 4600) by Rs 2500 for five years to allow of the Jeypore-Bastar road being completed. The Agent has anticipated this order by taking credit for Rs 2500 for this work. The Rs 4000 grant he asks for is therefore deemed necessary.
