Note (1).—The figures given in this statement for December are only approximate, having been specially obtained for the purpose of this statement.
Note (2).—The figures in *Italic Type* indicate minus entries or refunds.
Note (3).—The difference between the figures shown in columns 26 and 49, and those arrived at by adding the transactions of the month with the totals of previous months are due to modifications made with reference to information of recoveries and adjustments since received from the Executive Engineer.
