OFFICE OF THE DIRECTOR OF
PUBLIC INSTRUCTION,
Madras, 23rd November 1898

No. 13348.

From

THE HONORABLE MR. D. DUNCAN, M.A., D.S.C., LL.D.,

DIRECTOR OF PUBLIC INSTRUCTION,
Madras,

To

THE SECRETARY TO GOVERNMENT,
Educational DEPARTMENT,

25/11

(Through the Accountant-General,
Fort St. George.)

SIR,

With reference to the concluding portion of this office letter No. 8067, dated 25th July last read in G.O. No. 542, Educational, dated 27th August 1898, I have the honour to submit for the sanction of Government, a proposition statement for the employment of temporary attenders in the offices of the several Inspecting officers.

2. The charge may be met during the current year from the provision of Rs 800 for the remuneration of Copyists under 'Inspection' in the Budget Estimate for 1898-99. Provision has been made for the charge in the Budget Estimate for 1899-1900.

3. The delay in the submission of the proposition statement is due to the difficulty of preparing the reappropriation statement called for by the Accountant-General. This statement was at first considered necessary, because it was originally proposed that

Temp. Estab. Statement

that the charge should be met from the office contingencies, the allotment for which was proposed to be reduced by a corresponding amount. It may now be dispensed with, and the lump provision of Rs 800 referred to above, may be utilized for the purpose. Though this amount is less

than the amount of extra charge which the employment of temporary attenders involves, care will be taken during the current year to see that the actual expenditure is kept within the budget provision, by reducing the period of employment.

4. I would, in this connection, invite the attention of Government to the fact that it is the salary of these temporary attenders that the Accountant-General proposed to treat as expenditure on section writing and copying (Vide G.O. No 55, Educational, dated 28th January 1898). Hence the provision of Rs 800 for the remuneration of Copyists in the Budget Estimate for 1898-99.

I have the honour to be,

Sir,

Your most obedient servant,

D. S. Suman

Director of Public Instruction.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Director of Public Instruction, Madras, No. 2057, dated 25th July 1933:—

With reference to paragraph 2 of the Accountant-General's endorsement, No. 1300, dated 25th April 1933, communicated to this office in G.O., No. 332, Educational, dated 1st July 1933, I have the honour to request that you will be good enough to obtain the sanction of Government to the entertainment on Rs. 3 of a temporary attender in each of the offices of the Inspectors of Schools and the Inspectresses of Girls' Schools and the Assistant Inspectors of Schools for a period not exceeding nine months in the current year. As already stated in this office letter, No. 4353, dated 14th April 1933, the work to be done by the attenders is of a miscellaneous nature, and the expenditure incurred on their account cannot therefore be treated as falling under the class "Section-writing and Copying." The actual duration of each appointment will be determined by the exigencies of the office concerned. The charge which will not exceed Rs. 1080, will be met from the contingent allowance of the officers concerned, and the allotment for contingencies will be reduced by a corresponding amount. A Proposition Statement will be submitted on receipt of the orders of Government.

ORDER:—

ORDER :- No. 542, dated 27th August 1898.

The Director promises however to keep the expenditure within the budget provision by reducing the period of employment. deducting .47 lakh, the amount of special allotments made to 22-Education from other heads for fittings to the physical laboratory and class room in the Presidency College and for the aluminium industry, the revised estimate under 22-Education according to the latest civil estimates comes to 17.22 against a grant of 17.42.
