Proceedings of the Board of Revenue (Land Revenue).

No. 248 Misc., dated 20th January 1899.

Handwritten initials

Read the following :-

1. Again Board's Proceedings No. 3357 Misc., dated 25th November 1898, communicating to all Collectors letter from the Accountant-General and requesting them to report before the 10th December next the probable amount required for expenditure under "I-Refunds-Land Revenue" during the current year.
2. Also Collectors' replies thereto.

Resolution

In his letter disposed of in the Board's Proceedings read above, the Accountant-General informed the Board that the actuals of the first six months of the current

	Rs.	
* Sanctioned estimate for 1898-99-----	1,13,000	official year under I-Refunds-Land Revenue-had exceeded the proportionate
Proportionate grant for 6 months-----	56,500	budget grant by about Rs. 35,000 and
Actuals of the first six months-----	91,326	requested that the sanction of Govern-
Excess over the proportionate grant--	34,826	ment might be obtained for the addi-
		tional allotment required so as to
		cover this and any further excess

that might occur during the latter half-year. The above letter was communicated to all Collectors who were asked to report before the 10th December last, the probable amount required under "I-Refunds-Land Revenue" during the current year ^{and} to furnish the actuals up to 1st November last and the probable refunds for the remaining four months with explanations for variations between the sanctioned and the revised figures.

2. The actuals up to November last as reported by the Accountant-General amount to Rs. 1,02,579 (Vide appendix) Adding thereto Rs. 47,531, the Collector's estimate for the remaining four months of the year, the total probable expenditure comes to Rs. 1,50,110 or Rs. 1,50,000 in round figures against Rs. 1,13,000 the sanctioned and the revised estimate for the current year (Vide Government Order No. 906 Pl., dated 19th October 1898). Of the last mentioned sum, Rs. 75,100 was distributed among the several districts and Rs. 35,900 kept as Reserve at the Board's disposal. The Collectors of Vizagapatam, Chingleput, Tinnevely, Coimbatore and Salem have surrendered Rs. 1,45,68 out of the amounts provided for their districts, while the Collectors of the remaining districts excepting Ganjam, Anantapur, Kurnool and South Canara have applied for additional allotments aggregating Rs. 89,578. The bulk of the additional allotment is required for expenditure in Godavari (Rs. 58,862) Cuddapah (Rs. 8,535) and Madura (Rs. 10,000). The Collector of Godavari accounts for the increased expenditure in his district by (a) the transfer of Rs. 36,880 from Land Revenue to Land and village Cesses which was made under the Accountant-General's instructions by debit to "1-Refunds" and credit to the cesses instead of by mere transfer entries under the heads of receipts concerned and (b) the refund of Rs. 18,505 to Zamindari of Nidadavole on account of excess payment of water tax. In Cuddapah, the increased allotment is required for meeting claims to refund in a large number of cases in which the Board has directed the grant of remissions of land revenue; while in Madura the cancellation of the sale of certain waste lands under the Periyar project necessitates the refund of the sale proceeds to the purchasers.

3. In the circumstances stated above, the Board requests that the sanctioned estimate for 1898-99 under 1-Refunds-Land Revenue may be raised by Rs. 37,000. This additional allotment is practically entirely due to the method of adjustment adopted under the Accountant-General's order in Godavari ~~which~~ which it is now too late to rectify; but for which the Budget allotment would have sufficed.

4. The Collectors of Vizagapatam and Chingleput propose that the amounts surrendered by them (Rs. 1,453 and Rs. 2,799 respectively) may be transferred to 3-Land Revenue-Charges of District Administration, so as to enable them to meet excess expenditure under that head. Their proposal is, however, inadmissible as the probable expenditure under

1-Refunds-Land Revenue for the whole Presidency will exceed the budget grant under that head vide article 157 of the Civil Account Code.
