C. No 3319

Note

an abstract of the
six-monthly estimates for the
current year furnished by
the Accountant General showing
the changes made as
compared with the sanctioned
budget estimates under
provisional accompanied this
note.

The Accountant General
anticipates a fall under the
following heads of Revenue,
viz:

I Salt - 20 lakhs

II Excise - 2.50

III Fairs - .41

IV Stationing - .13

and V Miscellaneous - .03;
(Civil Dept)

and large increases are
expected under

I Land Rev + .87 lakhs

II Stamps + 1.12 "

III Alms + .50 "

11/1/13
11/1/13

regn. + .37 lakh

XVI. A. Law & Justice + 1.66
courts of law

The total increase after deducting the fall in revenue noticed above comes to 1.87 lakh over the budget estimate.

3. Under charges the Accountant General's estimate shows a decrease of 3.27 lakhs under Civil departments and of 4.33 lakhs under net P.W. ^{debts} debts, or in all a decrease of 7.60 lakhs. Excluding famine expenditure, the charges under Civil departments are placed at .35 lakh in excess of the budget estimate. The chief variations are as under -

5. Salt - .39 lakh

11. Forest - .50

19. B. Jails + 1.51

22. Education + .46

24. Medical + .37

29. Superannuations - .40

43. Minor works (Civil) - .35

The large decrease in the total expenditure under Civil Dept. and in the net P.W. debts is mainly due to the short expenditure on famine.

4. The position of Provincial finances as disclosed by the Accountant General's statement is as follows -

	Budget Estimate	Revised Estimate
opening balance	10.00	10.00
Receipts	321.81	323.68
Charges	325.73	317.93
Surplus(+) or deficit(-)	-3.92	+5.75
closing balance	6.08	15.75

It is apparent that the Accountant General has not made sufficient provision for the enhanced expenditure that will be incurred on plague and the position will further be altered if the Govt. of India adheres to its decision regarding the contribution of 5 lakhs

A

B

to be levied from Local
funds for famine expend-
ture notwithstanding the
representation that is about
to be made to it.

Draft
with L. M. in G. i.

19/11/98

In a rough
estimate prepared
for Mr. the Governor the other day
it was estimated that the
loss under B. (Local
famine expend^{re}) would be
4 lakhs, and that the Plague
expend^{re} to be borne by Provincial
would amount to about 7.16
lakhs. This will reduce the
A's closing balance to about
4 1/2 lakhs. The Plague expend^{re}
addition will not be so heavy this year
as was feared a month
ago, but the A's very sanguine
six monthly estimate is not
likely to be realized

To this for the half year in the whole year?
