EXPLANATORY REMARKS.

The amounts entered in Col. 1 represent the revised estimate sanctioned in G.O. No. 68 Financial dated 10th Jan 1898 and G.O. No. 130 Financial dated 21st January 1898. While reviewing the plague estimate of this office for January 1898 the Plague Commissioner has in his reference on G.O. No. 136 dated 7th Jan 98 observed that the Plague Establishment in the District consists of our Hospital Assistant on Rs 30 + Rs 10 Plague allowance. The Hospital Assistant has been employed since the 18th April 98 but the Collector has not shown any actuals or made any provision for the current month and January. As explained in the Remarks Col. of the Plague Establishment list for Jan 98, combined with this office No. 247 dated 2nd Feb 98. The Hospital Assistant in question is a Local Fund Reserve Hospital Assistant who in addition to issue of passports and observation of passengers does cholera work in harbor town besides attending the Hospital. His salary and allowances are therefore debitable to the Municipality. The matter is under correspondence with the Municipal Chairman who has reported that he has addressed the Inspector of Local Fund Accounts in the matter. For the reasons mentioned in the Plague Establishment list for Jan 98, the Plague allowance of Rs 10 to this Hospital Assistant has been stopped since Dec. 98. The amount of allowance of Rs 20 paid to him up to Dec. 98 and the salary of Rs 30 are shown under Municipal.

* It is intended to meet the Plague allowances due to the Hospital Assistants of Fuzar & Vindalapur. Please vide Remarks in the Plague Establishment list for Jan 98, this office No. 247 dated 2nd February 98.

CURRENT No. 534

Proceedings of the Plague Commissioner.

CHIEF SECRETARY
-9. FEB. 1899
GOVERNMENT OF MADRAS

Read:-

Letter from the Collector of Nellore, dated 4-2-99, No. 263/Eng. of 1899 submitting Plague Estimate for February 1899.

Ref. On. C. No. 1512, dated 7-2-99.

1. The entries in Col. 6 of the estimate are not understood. The column should have been left blank as the current year's expenditure closes with the figures shown in Col. 4 which relate to March.
2. 24 D Medical-Local. If the Nellore Hospital Assistant has been working under the Municipality since the 1st April 1898 & been doing plague work in addition to his Municipal work, then he is entitled only to a local allowance of one-fifth of his salary, and this alone should be shown in the Plague Budget, his salary being shown in the Municipal Budget. The only item that should be shown under Local would then be the allowance of the Hospital Assistant's of Gudur and Venkatagiri. A provision of Rs. 192 would cover the allowance for the whole year, and allowing for Rs. 100 for miscellaneous charges, the grant under Local may be reduced to Rs. 300.
3. 24 D Medical-Municipal. If the Nellore Hospital Assistant has been employed since the 1-4-98 as shown in the establishment list, only 11 months' salary will fall due during the current year. As stated in para 2 it seems necessary to provide in the Plague Budget for plague allowance alone. The provision of Rs. 360 may therefore be omitted and a provision of Rs. 6 entered in columns 3 & 4.
4. Establishment list. The list has not been printed on paper of foolscap size as requested in Plague Commissioner's Proceedings No. 1047, dated 28-12-98. So long as the Hospital Assistant at Nellore works under the Municipality, he should be shown under Municipal and not Local. Col. 8 has been left blank. It is requested that the omission may be supplied.
