Letter from the Collector of Trichinopoly, dated 4-2-99, forwarding Plague ^{Budget} Estimate for February 1899.

Ref. On. C. No. 1326, dated 9-2-99.

24D Provincial. The Surgeon-General has reported in his endorsement No. 119, dated 2-2-99 that the two Assistant Surgeons on Plague duty in the Trichinopoly District were deputed from the existing establishment. The item should therefore be excluded from the Plague Budget. It is not known upon what Plague duty these two officers were employed.

2. 24 D. Local. According to G.O. No. 154, Fin., dated 27-1-99, a sum of Rs. 485 was spent up to 30-11-98 but the Collector's estimate does not show any expenditure. The omission should be explained.

3. 24 D. Municipal. The establishment list for this month has not yet been received and it is not possible to check the figures. The establishment appears to have been considerably reduced, as a smaller provision has been made for the remaining part of the year. No reason has been assigned for providing comparatively large amounts under
