Proceedings of the Plague Commissioner.

Ref. On. C. No.1635, dated 28th November 1898.

Forwarded to the Financial Department.

2. The estimate does not include plague charges under Provincial. The President is being requested to forward a supplemental estimate showing the charges under this head as soon as possible

Note for the C. A.

Madras Municipality

The estimates for the current, succeeding, and remaining months of the year, have not been separately given. The amount given in lump for 5 months, will be distributed in rateable proportions in the above three columns and booked.

(2) A division of the charges into Direct and Indirect has been adopted in the estimate. In the case of the Dt. Municipal charges, no such division is made. The classification adopted by the President, Municipal Commission, may be accepted for the town of Madras.

This does not matter much

(3) From Details No. 1, it will be seen that the pay of 'Clerks' and 'Peons' is shown under 'Office Expenses' and the pay of 'Asstt. to the Hospital Asstt.', 'Overseers' and 'Purveyor', is shown under 'Miscellaneous'.

This does not appear to be correct. These officers should be included under establishment.

(4) Under 'Petty Construction and Repairs', a sum of Rs 4218 has been spent up to 31st October 1898 and the estimate for the remaining five months is put down as Rs 29,782 raising the estimate for the year to Rs 34,000. The estimate appears to be high. Similarly for 'Medicines and Instruments', Rs 15,169 is put down as the estimate for the remaining 5 months of the year while the actuals up to 31st October amounted to Rs 4831, the total for the year being taken as Rs 20,000

(5) The detailed establishment list received with the estimate will be taken out and filed separately

EXPLANATORY REMARKS.

(1) The peons employed on plague duty are all drawn from the ordinary staff and hence no expenditure is shown under this item. Rs 453 were paid from Local Funds in the beginning of the year for the Salt peons then employed on plague duty. This expenditure was incurred before the receipt of G.O. No 596 P dated [illegible]-6-98. The President District Board will be asked to make the necessary adjustment in the accounts.

(2) Provision is made for 15 temporary Constables and 4 temporary Head Constables employed from October 98. Of this staff 4 Head Constables and 3 Constables have been dispensed with from about the middle of the last month. Provision for the current and subsequent months is made for 12 Constables at Rs 7 per mensem.

(3) This amount includes Rs 135 paid from the Local Funds as explained on page 9.

(4) This amount does not include Rs 453 and Rs 135 being the amounts expended for Salt peons & the plague clerk in the District medical and Sanitary office respectively. They are included under the proper heads and steps will be taken to adjust these amounts to the credit of the Local Funds.

Explanatory Remarks.

x Rewards for the destruction of Rats.

(1) The Assistant Sanitary Inspector has been ordered by the Plague Commissioner to be retained at the Nandyal Railway Station until the Station Master receives orders from his superiors for issuing passports. Hence provision is made for the current month.

(2) The sum of Rs 50 has been provided for the house rent allowance to be paid to the nurse of the Ambulance staff at the rate of Rs 10 per mensem.

(3) The sum of Rs 145 was provided in the estimate of the last month on the supposition that the nurse was to be paid Rs 100 pay + 45 boarding allowance. As boarding allowance should be paid only when the nurse is employed on the active duty it has been excluded in this estimate and provision is made only for her pay at Rs 100 per mensem.

(4) Some of the totties supplied by the Conservancy Agent of Madras having absconded temporary totties were employed in the last month in the places of those who absconded. The temporary totties being local men they were paid at Rs 7 per mensem. Hence the decrease in the amount shown under Col 7.
