REVENUE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following reference of the Board of Revenue (R) No.1446, dated 17th December 1898 on letter from the Collector of the Nilgiris, R.C.No.1437 A/98 dated 30th October 1898.

Reference.

The Collector of the Nilgiris brings to notice that a very large increase has taken place of late years in all the branches of work--- magisterial, treasury and revenue --- in the Coonoor Deputy Tahsildar's division and urges the necessity of affording relief to the Deputy Tahsildar and his establishment.

2. The following figures are furnished to show the increase in the different branches of work:-

Magisterial work			Treasury work		Correspondence
year	No. of cases filed.	Period	average annual value of transactions Rs.	Period	No. of papers received & despatched.
1891	445				
1892	537	1887-89	4,74,799	1882	2892
1893	652	1890-92	6,65,747	1895	15343
1894	720	1893-95	8,89,568	1896-97 Comparison with previous years is difficult owing to the introduction of the disposal system in 1896.	
1895	957	1896 & 97	9,24,611		
1896	2060				
1897	1548				
1898 (up to 1st Sept. 98)	1038.				

3. As regards the magisterial side of his office, the Collector states that no other Sub-Magistrate in the District has nearly as much work as now devolves on the Coonoor Deputy Tahsildar and Sub-Magistrate, and anticipates that a considerable number of extra cases will have to be transferred to his file before long, as the Sub-Registrar and Special Magistrate complains and with good reason - that his file of nuisance cases has been growing rapidly and that the entertainment of a special magisterial clerk for his office cannot much longer be postponed, unless the volume of his magisterial work is reduced. Moreover, if at any time a man who has not passed the criminal

criminal test should be sent to Coonoor as Sub-Registrar or if the Sub-Registrar happens to be absent from the station on leave or on acting duty elsewhere, the Dy. Tahsildar must necessarily take up the business of both Courts and cannot but be overwhelmed by the increased work. With a view therefore to afford relief to the Dy. Tahsildar and to set him more free for revenue and out-door work the Collector recommends the appointment of a Stationary Sub-Magistrate on M.100 and a clerk on Rs.20 with the usual hill allowance to attend to the magisterial work arising at the head quarters including cases now dealt with by the Sub-registrar Magistrate. The Stationary Sub-Magistrate will also be in charge of the -- Treasury while the Dy. Tahsildar is on tour.

The Collector has duly considered the alternative courses of establishing a Bench Court at Coonoor and of appointing a Taluk Sheristadar Magistrate and has rejected them as inadequate measures, a conclusion in which the Board concurs, as the absence of a responsible substitute such as a Stationary Sub-Magistrate is greatly felt at Coonoor whenever the Dy. Tahsildar is on circuit.

4. With regard to the Dy. Tahsildar's Treasury work and office correspondence, the Collector reports that the Military authorities contemplate constituting Coonoor a disbursing treasury for military purposes, and ^{that} if this should come to pass the result will be a still further increase in the work of the Deputy Tahsildar's establishment. To cope with the present increase of work the Collector considers that two additional clerks are absolutely necessary. If the entertainment of a Stationary Magistrate and a clerk for Magisterial work be sanctioned the present magisterial clerk ~~will~~ will be available for other duties. The Collr. says that in this case one additional clerk only will be required. He accordingly recommends the entertainment of a clerk on M.20 with a hill allowance of Rs.5.

5. It is presumed that the entertainment of the clerks now asked for will not affect the appointment of the additional attender on Rs.7 plus 3 local allowance provided for in the scheme for the improvement of taluk establishments now pending with the Government

of

of India. The present and proposed establishments are shown below in one view:-

Present establishment	Proposed establishment
1. Dy. Tahsildar & Sub-Magte. on M.100 p.m. exclusive of local allowance.	1. Dy. Tahsildar on . . . Rs.100 p.m. exclusive of local allowance.

6. The Collector has made out so strong a case for the appointment of a Stationary Sub-Magistrate that it is incumbent on the Board to submit his proposals for the favourable consideration of Government notwithstanding the fact that the proposed increase of expenditure is not due directly either to famine or plague. On receipt of the orders of Government, the necessary proposition statement will be submitted for sanction.

7. The Collr. adds that the rule under which the Deputy Tahsildars of Coonoor and Gudalur who are in charge of Sub-Treasuries have to furnish securities to the extent of M.2000 and M.1000 respectively, renders these appointments unpopular and that at Gudalur where there is a Sheristadar, the Deputy Tahsildar is practically in the same position as a Tahsildar in the plains who furnishes no security. Having regard to the concessions recently sanctioned to the employes on the Nilgiris, viz. the grant of local allowances and the appointment of Dy. Tahsildars of approved service as Tahsildars in the -- plains, the Board does not consider it necessary to press for

a relaxation of the rule which requires that all officers below the grade of a Tahsildar having independent cash transactions or charge of stamps should furnish security (Vide- B.P. No.1355 d/18-7-72 and 1750 d/24-6-75 and G.O. No.455 Revenue dated 25th May 1893).
