It makes no difference at all. It is known that his father is habitually resident in India. Domicile is not a question.

Proceedings of the Board of Revenue

(Separate Revenue).

Dated 8th February 1899.

Mis. No. 524.

Read endorsement of J.H. Merriman Esquire, Deputy Commissioner, Northern Division, No. 234, dated 20th January 1899, on the following letter from Mr. S.C.H. Robinson, Assistant Inspector, Kanuparti Circle, dated 7th January 1899:-

"I beg to state that, in my application for Exchange Compensation Allowance, dated 28th May 1898, the answer to question No. 1 is rather indefinite. I did not then quite understand the question and my answer is rather ambiguous, and I therefore request the same may be altered as follows:-

"I was born in India. I am not domiciled for good in India.

My parents do not intend to make India their habitual residence".

Resolution.

Submitted to Government.

2. The application for admission to the benefits of Exchange Compensation Allowance received from Mr. Robinson in

the first instance was submitted to Government with Board's Pro-
ceedings No. 2799, dated 13th July 1898, and orders thereon
were passed in Government Order No. 1150, Financial, dated 2nd
December 1898. Mr. Robinson is one of the officers who were de-
clared to be ineligible for the allowance owing to the fact that
they are statutory natives of India. The Board does not believe
that the information now furnished by him will affect the deci-
sion of Government in his case.
