The Board requests the sanction

noted rubber stamps to District Forest Offices.
These stamps are already issued to district treasuries
(Vide items 2 and 4 in the list printed in B.P. No. 289
Land Revenue dated 24-8-'97) and are required for
stamping Contingent bills and vouchers submitted
to the Audit Office. The Superintendent of Stationery
desires that the orders of Government in the Financial
Department should be obtained for extending their

Supply to District Forest Offices. The Board, therefore, requests that Government will be pleased to authorize the Superintendent to issue the rubber stamps in question to District Forest Officers in due time. Their supply will facilitate the despatch of account work in District Forest offices. The Accountant-General who was consulted recommends the proposed supply.
