Account Code Forms.

Approving, with remarks, the proposal of the Accountant-General that all heads of departments should forward annually to his office a consolidated indent for — required by them and their subordinate officers and arrange for their distribution with their own departmental forms.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—the following papers:—

From T. HESKETH BIGGS, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 29th November 1898, No. 6148.

I have the honour to state that the forms prescribed in the Account Code are at present obtained from the Government Press and supplied by this office to heads of departments and all subordinate officers indenting for them. Under this arrangement over 1,200 indents including supplementary ones are received annually mostly from subordinate officers, such as Deputy Collectors, Munsifs, Sub-Registrars, Inspectors of Schools, &c., as shown in the accompanying statement.

2. The Inspector-General of Police in his letter, No. 1104, dated 8th October 1898 (copy enclosed), proposes in future to obtain from this office the annual supply of such forms required for his department and to supply them to his subordinate officers with his departmental forms.

3. I am of opinion that the adoption of this procedure by all heads of departments in this Presidency would be advantageous in every way as it would reduce the number of indents to be dealt with and thus avoid delays in complying with them, would secure a better check on the consumption of forms by subordinate offices and cause some saving of expenditure in packing and transit charge.

4. I have the honour to suggest therefore that all heads of departments should forward annually to this office a consolidated indent for Account Code forms required by them and their subordinate officers and arrange for their distribution with their own departmental forms. The indents would be for the official year and should be based on the average annual consumption of the preceding three years. Collectors and District Judges might be considered as heads of departments for the supply of forms to Revenue and Judicial Departments in the districts.

5. A more satisfactory and economical arrangement would be for such annual indents to be submitted through this office to the Government Press for compliance, but I understand that the Superintendent of the Press is unwilling to undertake the supply of forms owing to the want of storage accommodation for them.

From the Presidency Port Officer, Madras, No. 451-G, dated 13th December 1898.

The practice in my office has been for the subordinate officers of the Port Department to send their indents for forms to the Presidency Port Officer, who then obtains the requisite supply from the Accountant-General, Madras, on a consolidated indent and supplies the various officers.

Memo. No. 657-E.

Copy of the above forwarded to the Financial Department with reference to Memorandum in that department No. 2728, dated 5th December 1898.

2. It will be seen that the practice in the Port Department is that advocated by the Accountant-General.

Madras,
26th December 1898.

(Signed) W. B. deWINTON,
Secy. to Govt., Marine Dept.

G.O., R. No. 1678, Judicial, dated 15th December 1898.

Read—the following papers:—

From A. G. CARDEW, Esq., M.A., Inspector-General of Prisons, to the Chief Secretary to Government, dated Ootacamund, 23rd December 1898, No. 6537.

In reply to G.O., R. No. 1678, Judicial, dated 15th December 1898, I have the honour to state that the Accountant-General's suggestion in paragraph 4 of his letter No. 6148, dated 29th November 1898, appears to me to be clearly desirable, and I recommend that it should be adopted. Under Rule 1260 of the Jail Code, Superintendents of Jails submit an indent to this office, in September annually, for the supply of Jail Code forms, and Account Code forms could easily be included in these indents. As the indents prescribed by the Jail Code relate to the calendar year, the supply of Account Code forms to this department should be for the calendar, and not for the official, year.

From H. A. STUART, Esq., I.C.S., Acting Inspector-General of Police, to the Chief Secretary to Government, dated Madras, 6th January 1899, No. 96.

With reference to G.O., R. No. 1678, Judicial, dated 15th December 1898, I have the honour to state that I have no objection to the Accountant-General's proposal. A consolidated indent will be submitted for all the forms required for use in my department and I shall arrange for their distribution from my office on receipt from the Accountant-General. This course has hitherto been followed as regards most of the forms.

From the Hon'ble P. RAJARATNA MUDALIYAR, Diwan Bahadur, Inspector-General of Registration, to the Chief Secretary to Government, dated Madras, 10th January 1899, No. 198-G.

With reference to G.O., R. No. 1678, Judicial, dated 15th December last, I have the honour to state that Accountant-General's suggestion regarding the supply of forms required for this department will be adopted at once.

From A. L. HANNAY, Esq., Registrar of the High Court of Judicature, Madras, to the Chief Secretary to Government, dated 12th January 1899, Ref. on Cur. No. 3067.

With reference to G.O., R. No. 1678, Judicial, dated 15th December 1898, referring, for the remarks of the High Court, a letter from the Accountant-General, No. 6148, dated 29th November 1898, suggesting that District Judges should in future forward, annually to his office, a consolidated indent for Account Code forms required by them and their subordinate officers, and arrange for their distribution with their own departmental forms, I am directed to state that the High Court approves of the Accountant-General's proposal.

Endorsement.

SIR,

Enclosures.

In reply to G.O.No.1678, Judicial, dated 15th December 1898 I have the honour to state that the Accountant General's suggestion in para 4 of his letter No.6148, dated 29th November 1898 appears to me to be clearly desirable and I recommend that it should be adopted. Under Rule 1260 of the Jail Code, Superintendents of Jails submit an indent to this office in September annually for the supply of Jail Code forms, and Account Code forms could easily be included in these Indents. As the Indents prescribed by the Jail Code relate to the Calendar year, the supply of Account Code forms to this Department should be for the Calendar, and not for the official year.

The IGP's office can easily arrange to send the Acct Code forms separately to Dt & Central Jails if necessary, & no objection need be raised to the Acct Genl's suggestion that the consolidated indent shd be for the official year.

FOR ORDERS.

With a view to reduce the number of indents annually made on the Acct Genl's office by the various subordinate officers for Account Code forms, and to secure a check on the consumption of these forms by such officers, the Acct Genl. proposed ~~to~~ in a letter to the Finl Dept ~~the Finl. Dept~~. That all Heads of Depts should forward annually to his office a consolidated indent for the forms required by them and their subordinate officers during the next official year. The Acct. Genl's letter was referred to the Rev. Depts for remarks. From the replies received from the Heads of Depts under the Rev. Sectt. it appears that there

(16)

there is no objection to the proposal of the Acct-Genl being acted upon. Submitted that the ~~Acctt-Genl~~ Finl. Dept may be informed that the AG's suggestion is unobjectionable and will be acted upon, so far as the Heads of Depts under the Rev. Secretariat ~~this office~~ are concerned.

Secy

The obvious objection seems to be that this means much added correspondence between Heads of Depts & their subordinate Officers. It seems undesirable to go in for centralizing measures of this kind unless waste is proved (which does not appear) to exist under the present system. However the Bd has not taken this objection & it is to be noted that collectors are to be heads of depts for the purposes of this new system

Endorsement of the Financial Department, No. 2728, dated 5th December 1898, forwarding for remarks the proposals of the Accountant-General on the subject of indents for forms prescribed in the Account Code.

From the Surgeon-General, Madras, No. T 6/35, dated 7th January 1899, submitting his remarks on the proposals of the Accountant-General regarding the distribution of forms prescribed in the Accoun~~ant-General~~ Code.

From the same officer No. 132, dated 2nd February 1899 submitting statement showing the names of the clerks employed in his office and the localities in which they live.

O R D E R:-No. 163, dated 9th February 1899.

The objections of the Surgeon-General to undertake the duty of distributing Account Code forms to the subordinate officers of his department along with departmental forms cannot be accepted. The Government considers that the work should be done by the Surgeon-General's office.

2. In the opinion of Government, the efficiency of the Surgeon-General's office establishment would be materially

increased

increased if the office building were situated in Vepery or other locality now easily accessible to the clerks. He will be requested to report on this point. Meanwhile the Consulting Architect will be requested in the Public Works Department, to report whether suitable accommodation for the Surgeon-General's office can be obtained in a locality within easy access of a quarter where the Surgeon-General's clerks can appropriately live. A copy of the Surgeon-General's letter No.132, dated 2nd February 1899, showing the localities in which his clerks reside will be furnished to the Public Works Department.

Note

A The Inspector General of Police in a letter to the Accountant Genl proposed to obtain in future, the annual supply of Account Code forms required for his department from the Acct Genl's office and to supply them to his subordinate officers with his departmental forms. ~~The Acct Genl reports that~~, Under existing arrangements, Account Code forms are obtained from the Govt. Press and are supplied ~~by his office~~ by the Acct Genl's office to heads of departments and to all Subordinate officers indenting for them. ~~and that~~

~~by this procedure~~ Over 1200 indents including supplementary ones. mostly from subordinate officers are ~~being~~ received annually in ~~his~~ the AG's office.

With a view to reduce the number of indents ~~annually made on his office by various subordinate officers~~ for these forms and to ensure a check over ~~them~~ consumption of the forms, the Accountant Genl suggested that [illegible] [illegible] all heads of departments ~~are~~ might [illegible] adopt the course suggested by the Inspector Genl of Police; the indents being prepared for the official year and being based on the average annual consumption of the three preceding years, and ~~that~~ Collectors & District Judges ~~might~~ being considered as heads of departments for the supply of these forms to Rev & Judl ~~offices~~ departments in the districts. The Acct Genl ~~further~~ added that a more satisfactory & economical arrangement would be for such

Such annual indents to be submitted through his office to the Govt. Press for compliance; but that he understood that the Supdt. Govt. Press is unwilling to undertake the supply owing to want of storage accommodation for the forms in the Press.

The Acct Genl's proposal was referred to ~~certain~~ depts & officers concerned ~~departments~~ with the remark that it ~~was~~ appeared to be unobjectionable.

The replies have all come in & almost all those concerned are in favour of the Acct Genl's proposal: but the Eccl Deptt says that, for reasons which are accepted by Govt., the Venble the Archdeacon is unable to undertake the duty. The I.G. Prisons suggests that the indent should be for the calendar & not for the official year.
