SIR,

I have the honour to bring to your notice that an indent for stationery for the new Observatory at Kodaikanal, was recently received from the Government Astronomer and passed after check by this office in anticipation of the sanction of Government. Some of the articles to the supply of which the Government Astronomer is not entitled under the Stationery Rules have been disallowed with the request that the sanction of Government for their issue may be obtained if they are necessary. As the Officer in charge of the Observatory at Kodaikanal is not entitled to stationery under the Stationery Rules, I request that Government will be pleased to instruct me whether he is to be added to the list of officers who are entitled to indent on this office for a free issue of stationery.
